This Annual is dedicated to:

Mrs. Marie L. Spencer, faithful wife of John W. Spencer, ever helping in all areas of his work in his call to serve the Lord in various pastorates. She was a worthy helpmate to her husband and dedicated Christian mother to their two sons. She was an example of Christlike love to all with whom she came in contact, especially children.

REPORT OF EXECUTIVE COMMITTEE

During this past year your Association officers have been gravely concerned with the interest shown by some of our churches with the work and programs that were projected.

Your Executive Committee has endeavored to fulfill its assignments, receiving rather good reports from the various organizations and churches which participated. The V.B.S. Clinics were the best in attendance for several years. Church Training under Bro. Charles Middleton did well as did the several other organizations.

The Association by cooperation of Pastors' Conference and Executive Committee raised $1,146.00 which was presented to Bro. Henry Privette as a gift of appreciation of eight (8) years of service to the Association at a reception in New Bern.

The Executive Committee approved request for State Mission aid for pastors' salaries as follow:

Atlantic Association - $2,500.00
Harkers Island - $1,300.00
Battleground Park - $2,200.00

We heartily recommend that more of our churches take the matter of working together more seriously with their pastors and lay representative in attendance at all meetings.

REPORT OF ASSOCIATIONAL MISSIONARY

The past year in the Atlantic Baptist Association has been a very good year. Our churches are perhaps the healthiest and most solid that they have ever been in the history of the association. We have no church that is torn by internal strife or factions. Harmony and unity exist in most of our churches. Most of our churches have pastors and these are men of high caliber and good ministers of Christ. They are leading the churches in a fine way. A wonerful fellowship exists among the churches and among the pastors.

The churches are becoming more conscious of their mission and purpose in the world. They are finding that their business is not or merely being content in their mission outreach by generous contribtuions to the Cooperative Program and special mission enterprises; but, at last, they are coming to realize that they, themselves, are the cutting edge of the Kingdom of God and are, at long last, beginning to do something about it.

The emphasis this year has been on assisting local churches where need has been indicated and where the missionary has been called on to assist. These have been many and many hours have been spent in counseling with individuals and committees that no one knows anything about. This could account in a great part for the fine condition of our churches. Missions have been our greater thrust; first, in trying to awaken in the churches the need for local missions activity and, secondly, to motivate the churches to do actual mission work. To some degree this has been done. Several of the churches again this year conducted Mission Vacation Bible Schools.

One of our most profitable mission enterprises has been that among the migrants who came to our area. We have in this associational area seventeen migrant camps. There were approximately 500 people who care to this area who are itinerant farm laborers. Through the missionary and our local churches, fifteen of these camps had a spiritual ministry that resulted in several rededications and approximately eighty professions of faith.

Other mission ministries are being conducted in the association that, and while not directly involved, we are giving support and encouragement, too. It is best when churches do the mission work while the association gives support and direction if

called upon or needed. Some of our Baptist Churches are actively and directly engaged in a resort ministry at Atlantic Beach and in the camp grounds of the adjacent area.

Some work is being done among the Orientals in our area, mostly among the Japanese. Many of these ladies are being taught to read and write the English language and have received aid to enable them to take the oath of allegiance and become citizens of this country. Bible classes are held weekly for them.

The coming year, we hope, will be ayear of real emphasis on Evangelism and Missions Outreach. We hope our pastors and Sunday School leadership will cooperate and work with us in projecting this work through the Sunday School.

REPORT OF THE WORK WITH MIGRANTS

Work among migrants is not a very exciting work. It can be unpleasant, discouraging, and unprofitable depending, of course, on the persons involved and especially, their attitude toward people. The migrant is, perhaps, the person in our society on the lowest socio-economic level. His life expectancy is 25 years less than the national average; his income on a national scale does not exceed $2,500.00 per family, and his children do not have the benefit of playing with other children or going to a local school. Only one child of migrant parentage in 2500 ever finishes high shcool. The migrant is a nothing and a nobody even among his own kind as well as other elements of our society. Unless one has the pure love of God in his heart and a love for people, the migrant knows when this condition exists, he will not find work with migrants appealing.

If the worker with migrants can bring himself to accept the people where they are, and the migrant knows when this takes place, and work with them on their level, much good can be accomplished. The worker will find himself wonderfully rewarded and also find a satisfying and profitable ministry. The migrant does not stay long in one place; therefore, we must simply bear a witness in love, accept his statement of faith, and leave the rest with God.

We have seventeen migrant camps in our associational area. This past year approximately five hundred people came to these seventeen farms to harvest crops. Fifteen of these camps were ministered to in a spiritual way; we thought that the other two were being served but later found that they were not. Five of our fine churches participated in this ministry. Several of these churches worked at two or more camps. These were National Avenue, New Bern; Marshallberg; Smyrna; Atlantic; Newport; Tabernacle, New Bern; First Baptist, New Bern; and Jerry Privette and his family from Bardstown, Kentucky. Miss Millie Kale was employed by the City and Metropolitan Missions division of the Missions Department of our State Convention, and she served well and effectively in this ministry.

Thirty-seven worship type services were held with these people according to the reports received. Records are not accurate but at least 689 persons attended these services. Several hundred GOOD NEWS for MODERN MAN were distributed, mostly coming from the Home Mission Board and the City and Metropolitan Missions Department. Several hundred health kits were distributed coming from several churches and the Home Mission Board. There were more than eighty professions of

faith among these people and several rededication of lives. Those who were Christians among them were encouraged and strengthened in their faith. It was a good year among these people. Those who went in Christ's Name perhaps received even greater blessings than those to whom they ministered. The coming year we want to see a spiritual ministry in every camp. We covet your prayers and your participation in this great work.

In ministering to these people one gets the feeling of satisfaction, the attainment and fulfillment of the Words of Jesus in Luke 4:18, " . . . he hath anointed me to preach the gospel to the poor; he hath sent me to heal the broken hearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised . . . ".

VACATION BIBLE SCHOOL REPORT

To date, twenty-eight churches out of the 32 and one mission have sent reports from Vacation Bible Schools held in the churches this year. This represents 571 hours of teaching the Bible and things related to the Christian cause. This involved 2,772 people. This represents 623 workers and 2,179 children. Two churches did not have schools and three churches did not make any report.

There were eight commitments to full time Christian Vocation, and 63 professions of faith recorded from these schools.

A full slate of workers attended the Vacation Bible School Clinics at Wingate last year and the clinics in the association were well attended. Rev. Marvin Hays, Vacation Bible School Director did a good work in helping promote the schools, enlist the associational workers, and in conducting the associational clinics.

MISSION VACATION BIBLE SCHOOL

Churches in the association and through the associational office conducted 11 extensive (exclusive of Harkers Island) schools in 1971. First Baptist Church, Davis, at the invitation of the Craven Corner Baptist Church, General Baptist Convention, assisted this church in a Vacation Bible School. This was a wonderful school with 126 enrolled. A Mission Action Group from Tabernacle along with Miss Millie Kale, assisted Mrs. Ruth Mattox in a school at the Bethel Baptist Church near Riverdale. No enrollment was given but the average attendance was 57. A Mission Action Group from First Baptist, New Bern, conducted several days school at a migrant camp near Bayboro with 30 in attendance. Rev. Jerry Privette and his family from First Baptist Church, Bardstown, Kentucky, conducted a one-week school at this same camp with 32 in attendance; also the National Avenue Church had a one-week school there with 21 in attendance. A school there sponsored by the association and led by Miss Kale reported 20 in attendance. These schools and weekly worship services resulted in several rededications and twenty-seven professions of faith. The Cherry Point Church conducted a school in the Greenfield Heights Mobile Home Park with 22 in attendance. Beaufort, First Baptist, conducted a school in the Community Center at Hardesty's Corner on North River with an enrollment of 125. Newport conducted a school in an adjacent community with 36 enrolled. A school led by Miss Kale on an experimental basis was held at one of the Camp Grounds on the beach; enrollment was not so great but children from 13 different states attended; some had never been in a

church. New Testaments were given to these; some had never seen a Bible.

These schools accounted for 425 children being reached that otherwise would never have had the opportunity to know about Christ. We urge all churches to plan for one or several mission schools this next year. Young people of high school and college age were used in most of these mission schools. They did a wonderful job and one questions who received the most benefit from it - those who went, or those who came. Vacation Bible Schools can be held anywhere, anytime where there are children and led by one person or a dozen. They can be held under shade trees, around water tanks, or in the back yard or a patio.

ASSOCIATIONAL EVANGELISM REPORT

Evangelism is one of the greatest parts of the Christian religion. It has always brought to mind the idea of preaching or teaching the good news of the Gospel to a lost world. We Christians should be the greatest proponents of evangelism in the world, because no other religion has a living Christ as do we.

Much emphasis was put upon evangelism this past year, and in varying forms. One of these was the Lay Institute For Evangelism movement, which put the laymen into the picture, and they did a fine job.

Here in the Atlantic Association, our Evangelism Clinic was held on April 9th, at the Cherry Point Baptist Church, with the Rev. Charles B. Howard of Buies Creek, N.C. as principal speaker. Dr. Howard is a great Christian, and a dedicated man to evangelism. He is well known over this state and in the Southern Baptist Convention. However, only a handful of our people attended this meeting, with less than one third of our churches represented. This was a tremendous disappointment to all of us who work with evangelism at the Associational level. Hopefully we can do better next year.

The baptisms in our Association last year totaled 273, which is an average of about 8 per church, and the ratio of witnessing was 38.6 persons to bring 1 person to Christ.

Please pray earnestly for the evangelism efforts in this Association and for the officers who work with it. Pray for the non-Christians in North Carolina and around the world that our efforts together might cause the Holy Spirit to lead many persons to commit their lives to Christ. Pray for the many mission objects sponsored by the churches and the association that many will be led to Christ.

All Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. 1,519 decisions were made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one-week Lay Evangelism Schools. Over twenty-five associations have already started specific planning toward a one-week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the Division of Evangelism will be November 1-7 in the Mecklenburg Association.

The 26th Statewide Evangelism Conference will be February 7-9, 1972 at the Cumberland County Memorial Auditorium in Fayetteville.

The Next Statewide Youth Evangelism Night will be on Friday evening, August 18, 1972 at Greensboro Coliseum.

FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In others words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

REPORT OF THE ORDINATION COMMITTEE

In February 1971, the pastor of Temple Baptist Church of New Bern, Rev. Johnny McBride, asked the Ordination Committee to examine one of their members, Mr. George E. Marshall, preparatory for the ministry of the Gospel of Jesus Christ.

The Ordination Committee expanded itself to include all the pastors of the Atlantic Association. On March 8, the regular time for the Pastors Conference to meet, preparation for this had already been made; we, the pastors present, examined Brother Marshall and found him satisfactory to become a fellow minister to bear the message of Christ to man. The body unanimously recommended him to Temple Baptist Church for ordination.

Again on August 2, 1971, the Ordination Committee was asked by the pastor, Rev. George A. Johnson of the Tabernacle Church, New Bern, to examine one of their members, Mr. James Oliver, for the ministry of the Gospel of Jesus Christ. The pastors who were present at the September Pastors Conference in Morehead City formed the presbytery for examination. The pastors were unanimous in their decision to recommend Brother Oliver for ordination.

May God continue to lead these servants newly set apart for special service, and the churches which they may be privileged to serve.

A.L. Benton, Chairman
Ordination Committee

COOPERATIVE PROGRAM REPORT

Many churches increased Cooperative giving this past year. This increased giving will enable all to have a greater part in the great hospital ministry, the welfare of the destitute, and the preaching of the gospel to other lands and people.

The Cooperative Program is the life-line of supporting World Missions, Christian Education, Social Service, and the State Missions Program. The goal for this coming year is $7,500,000.00. In this past year in The Atlantic Association our churches gave $125,941.00 to the Cooperative Program, and $13,836.00 to Associational Missions. The percentage given to the Cooperative Program was 15.1%, while the percent-

age to Associational Missions was 1.6%. We had 29 out of 32 churches and 2 missions participating.

Your Association officers and your Division of Stewardship Promotion personnel are always ready to offer friendly service to help you in your church stewardship program. On your invitation, we stand ready to assist you in every possible way.

In a day when many major denominations are cutting back their missions programs we are pleased to report that Southern Baptists are making large advances. Cooperative Program receipts at the Southern Baptist Convention level are well ahead of a year ago. This will, no doubt, be a record year.

"Committed to World Missions" is the Cooperative Program theme for the year 1971-72.

I. To help the churches of our Association grow in support of Cooperative Program work we recommend:

A. That our churches keep in mind the inflationary trends of our economy and plan to increase their contributions to missions.

B. That every church observe Cooperative Program Month, October each year.

C. That every church observe Cooperative Program Day on the third Sunday in April.

D. That contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure. To implement a program of percentage increase to world missions through the Cooperative Program we suggest:

1. For churches giving under 20%, advance 2% each year up to 20%.
2. For churches giving 20% but under 30% level, advance 1% each year to 30%.
3. For churches reaching the 30% level, advance 1/2% each year until the objective set by the church is reached.

II. Of increasing importance to the churches in our association will be the stewardship chairman. Every church should receive a copy of THE CHURCH STEWARDSHIP CHAIRMAN'S PLANNING GUIDE.

III. We recommend:

A. That a stewardship chairman be elected in every church in our association.

B. That we continue to emphasize the tithe as the minimum standard of giving.

That every church in our Association conduct a MAKE YOUR WILL EMPHASIS in January.

That pastors focus special attention on the work of the State Baptist Foundation during the month of September.

That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

Respectfully Submitted,
John W. Spencer

BIBLICAL RECORDER REPORT

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000 - the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960 - only $2.00 a year. It is not known how long this reasonable price can be made available and that is all

the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people - it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week - half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

The child care and family service ministry of North Carolina Baptists has undergone many new and thrilling experiences during the past year. Since the associations last met, our program of services has been strengthened in various ways.

The desire for a home to serve Western North Carolina has become a reality. The first two cottages on the Broyhill Home campus near Waynesville have been completed, providing for twenty-five additional children in group care. Also during the past year, a maternity home has been opened in Asheville.

The Ten Star Builders Program, designed to inform Baptists and other friends of the Children's Homes in Eastern North Carolina of the services we are rendering to children and their families, was launched last fall. The initial response has been encouraging. Funds are being raised in Lenoir County for the W.C. Reed Memorial Gymnasium and plans are to have the dedication of this building on Sunday, November 7, 1971.

Foster homes in Eastern North Carolina now number sixteen with spaces for twenty-five children. Five years ago we had only one foster home in the Eastern area. This is encouraging growth. Additional foster homes are needed. This affords opportunity for a meaningful and rewarding ministry for children and foster parents alike.

The purpose of the Children's Homes is to provide children loving care in the spirit of Christ. The pursuit of this basic goal has led the Homes to develop a variety of services, all family centered. Some children need resident care. For these we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, nursery school education and kindergarten, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh: in the

Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Trustees, staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we share with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $330,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

Mrs. George McNeill

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients - that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's Name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions, too.

To date of this year, 27 of our Atlantic churches have contributed a total of $4,313.83 to the Mother's Day Offering in the Baptist Hospital. Last year 28 churches contributed a total of $3,655.60.

Respectfully submitted,
Rev. Fred Mauney, Representative

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albermarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

CHURCH TRAINING REPORT

Training Union "M" Night was held on November 23 at the First Baptist Church of Havelock, N.C. Attendance for the night was 383. Youth choirs from all of the churches of our Association joined to form a grand choir. First Church Havelock won both the GREATEST ATTENDANCE and the GREATEST PERCENTAGE IN ATTENDANCE banners. The theme for the night was: "TRAIN... TO MAKE A DIFFERENCE"; C. Douglas Farmer of Winter park Baptist Church, Wilmington, was the speaker.

Associational Youth Night was held at the Cherry Point Baptist Church on April 3, 1971. There were over 300 youth and their workers at this meeting. Several churches participated with Rev. Charles Stevens, of Swansboro, tieing up the thoughts that were expressed.

Beaufort First Church was the only church to participate in the Tournaments this year. What a tragedy this is; what a waste of minds that should be memorizing scripture; may more churches be involved this year.

PLANS FOR 1971-72 are:

1. "M" Night, November 8, Havelock First Church.
2. Two or three Associational Youth meetings, Our youth need to share with each other what God is doing in their churches.
3. 15 churches training their youth in Scripture searching and in memorization of scripture.
4. At least one meeting of all Church Training leaders for information and sharing of ideas.

"TO MAKE A DIFFERENCE ... TRAIN ... IT'S THE CHRISTLIKE THING TO DO"

CHURCH TEACHING REPORT
(Sunday School)

In our denomination we have over the years, become complacent and set in our method of doing things. We have looked at our growth and said, our approach and programs must be good because we have been so effective. But, what we fail to see is that recently we have not been as effective; reports show that we are not growing but actually losing enrolment in our churches. So, it appears that it is time to re-evaluate ourselves and seek "new" approaches.

Where did the idea for change come from? It did not orginate in Nashville, but from the local churches who cried out, because of an awakening to reality, "give us new tools to work with. Give us modern tools to deal with modern problems." Therefore, from these cries a Study Group was appointed in 1963 by the Southern Baptist Convention to seek out the needs and supply the tools. The Committee accepted their task and set out to change our old methods. But, the Committee's attitude was to provide "Changes that would do a better job in reaching people; not to provide change just to be changing." Thus, we have come to the decade of the 70's and our denomination is providing us with new tools.

The past two years have been a period of great transition in our Sunday School program. For some churches this was a time of minor pain while with others it provided an experience of great joy! "Change" is something that comes hard for most people and certainly this is what we have been faced with lately in our churches. Change is something that does not come easy for us, "but" in light of the problems we face today in this "space age" it is time for us as Christians to do all that we can to reach people.

Your Associational Sunday School Committee this past year attended several meetings in order to equipe ourselves to serve you better. We are available to help any church in our Association. We WILL NOT have a meeting just to have a meeting! But, you can be assured that if you hear of an upcoming Associational Sunday School

meeting then it is something you and your church will want to participate in! It will not be just another meeting.

AMERICAN BIBLE SOCIETY REPORT

Relationship between God and Man, and man's relationship with his fellow-man should be the desire of each of us.

In Luke 15:11-32, we have the story of "The Lost Son"; the separation of Father and Son, but the story ends with the joy of reunion, with the Father crying out, "...for this my son was dead, and is alive again; he was lost, and is found ..."

The American Bible Society was established one-hundred and fifty-five years ago with the vision of bringing lost man-kind and God together, with the only means that can do so; by making available the Word of God to the lost.

THERE IS HOPE, if we care. We must plant the Word, and through the contributions made to the Society we show that we care, and desire others to know our Lord as Saviour; but unless the corn be planted, there will be no harvest; likewise, when the Word be withheld, there cannot be a harvest of souls for Jesus.

With this vision, the American Bible Society, working through the churches, has planned to reach every home with the Bible or a packet of scripture selections prepared for various needs; for those on the beaches, migrant workers, and general distribution. To reach every area of life is the desire of the American Bible Society, but the Society can do no more than what is allowed through the funds received.

Your Bible Society is the link between YOU, who know about the love of God and its hope and comfort as found in the Bible, and another person with whom you want to show and share this knowledge. Will you help to share the Bible with others?

In this first year of a new decade when Southern Baptists are re-examining the Spirit of Christ, the American Bible Society's statement of purpose takes on new meaning and significance. In the words of ABS General Secretary Laton E. Homgren: "The sole purpose of all Bible Society activity is - and always has been - to provide men in intelligible and convincing speech, with the record of the "wonderful works of God' ... It is this concern for the redemption of the world - for the whole life of the whole man in the whole world - that permeates the work and witness of all those concerned with the Bible Society movement... If possible, every man on earth must be told of the Savior in his own tongue and given the opportunity to surrender his life to Him. This can only be done if we 'press with vigor on.'

The American Bible Society is grateful for the privilege of serving as a partner of Southern Baptists in providing the Bible as a tool for missions. We are aware of the need not only to keep up with the normal increase in demand for the written Word, but to forsee the conditions and circumstances within which people will be living in this decade of the Seventies.

In 1970 Southern Baptist churches gave $233,185 to the American Bible Society, and stood first among all denominations. Gifts from all churches in the U.S.A. totaled $1,413,045.

EVERY CHURCH can give AT LEAST these amounts EACH YEAR:

Smaller churches	$10 to $60
Larger churches	$60 to$300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

COMMITTEE ON MEMORIALS

"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?" John 11:25-26.

The power of the Christian faith over death begins with an awareness of the simple joys of life as we live day by day. It reaches its climax in the assurance of immortality. No Christian need look on death as a black monster which creeps on its victim in the night.

There is no agony in death itself. There may have been pain and suffering previous to death, but death is enveloped in a merciful unconsciousness. The loved one who has passed on is not dead but is alive forever more. Thought, mind, spirit; these in their fundamental nature are timeless. The body is earthly and passes away, but the soul is eternal and so lives forever.

Although that loved one cannot return to you, you can go to it. For those of us who are Christians, there is a firm confidence in a Heavenly Father whose loving care provides for all of our needs. In the presence of that Divine Love we are able to join the company of those who fear neither life nor death.

"Beyond the grave is Heaven's wealth."

H.W. Crump

EXECUTIVE COMMITTEE

During this past year, your Associational Officers have been greatly concerned with the lack of interest shown by some of the churches in supporting the associational

work and the lack of participation in the organizational work being promoted by the various organizations.

Reports have been very good at the Executive Committee meetings but not all the churches saw fit to participate, losing for themselves opportunities for training and good fellowship with the other churches.

The Executive Committee has met quarterly and carried out the business of the Association as need was indicated; including, the approval for state mission aid as follows:

1. Atlantic Associational supplement $2500.00
2. Harker's Island pastoral aid $1000.00
3. First Baptist, New Bern, on purchase of property $2000.00

The Executive Committee, acting for the Association between annual sessions, accepted a gift of approximately 40 acres near the Treasurer Cove section of Craven County, from Mr. and Mrs. Louis Fore of Charlotte, North Carolina. This property was part of a four-hundred acre estate and was given with the hope that a church could be established on it and perhaps used as a retreat area for the Baptist churches in this area.

This Committee wishes to express to Rev. Fred Mauney its appreciation for his leadership and guidance in his service as Moderator until his resignation to accept the pastorate of the Elizabeth Baptist Church in Shelby, North Carolina.

Your Moderator earnestly requests that in the coming year that each church see that it is represented at each of the Executive Committee meetings. The Association needs your support in the work throughout the entire year and your presence at the Executive Committee meetings help carry on the business of the Association.

Respectfully submitted,
Herbert Phillips, III
Moderator

ASSOCIATIONAL MISSIONARY

The year 1972 has been a good year. The churches have shown new growth and vitality. In general, the state of the churches is a healthy one. Some of the churches are enjoying real spiritual growth and revival; many are finding the value of planning their work and working their plans. Several have adopted the TOGETHER WE ADVANCE program suggested by the General Board of the State Convention. Some have seen the value of using the PEOPLE-TO-PEOPLE program from the Sunday School Board as a means of reaching the goals of 10% increase in Sunday School enrollment, Baptisms, Cooperative Program and Associational Missions support. Three area conferences were held by the Missionary to present this program; several invitations have been extended by churches for presentation of this program.

The Associational Missionary has been busy working in the churches when invited to do so. Included in these many activities are: teaching mission study courses, speaking at various special church activities such as ordination of deacons, supply preaching, mission emphases, etc.

In January Mrs. Privette and I enjoyed a trip to the Holy Land for ten days where many pictures were made. These were shown to twelve churches, ten VBS groups, five study groups, and three Sunday School classes. These were very profitable and informative.

Among other activities participated in were: two VBS Clinics, a Sunday School RealLife Conference with one hundred in attendance; a Church Training Officers and Leaders Conference; a Baptist Men's Mission and Evangelistic Rally with over two hundred in attendance; a youth program was initiated, using a Youth Council composed of young people from our churches, with one meeting held with approximately 250 young people present; spoke in several Black Churches and in some other churches of other denominations; a Baptist Men's Orientation program with approximately fifty men in attendance. A Seminary Extension Program was begun primarily for pastors in preparation for the January Bible Study in Galatians. Several lay people took advantage of this opportunity. Counseling was done with numerous pulpit committees, church groups and individuals concerning both church problems and personal affairs; many other meetings and conferences were attended as planned and promoted by the SBC and the Baptist State Convention. Work time averaged approximately seventy hours per week and 35,000 miles of travel in doing the work of the Association.

Some concrete statistics in work done included: sixteen Mission VBS's; three in Nursing Homes or Rest Homes, six in Black Churches, ten in White Schools such as housing developments and Mobile Home Parks. These mission schools reached 875 children, many of whom had never been in a church. Ten of these schools were held under the sponsorship of one or more of the churches. Among the churches there were twenty-five VBS's with 2,560 enrolled. There were thirty-six professions of faith and fifteen commitments to church related vocations. Eleven of the schools gave their mission offering to associational missions.

The Migrant Ministry this year was below that of last year, mainly because of bad weather that destroyed the crops. In the approximately fifteen camps, there were twenty-five spiritual services held with approximately 200 people being ministered to. There were seven professions of faith and twelve rededications. A large number requested prayer. Two hundred health kits were distributed with the same approximate number of New Testaments (Good News For Modern Man) being distributed with various tracts and other literature. Again, thanks to the several churches that sponsored this work and carried out most of this ministry.

Financially, the Association had a very large part in carrying out the Beach and Resort Ministry and the Seaman's Center at the port in Morehead City. The local churches actively participated in this ministry.

Perhaps the one single greatest achievement noted this year is the growing sense of Mission and Evangelistic Outreach by the churches. Our people are beginning to see the trees that surround them instead of the forest that loom in the distance. More churches are doing more in local missions than ever before in our history; as they do so, they also see Home and Foreign Missions in better perspective.

I wish to express my deep appreciation to the churches for the opportunity to serve them and in doing so fulfill God's will both for the Association and in my own life. I also want to express my heartfelt thanks to the many people who have assisted me in doing this work, and to the churches for their support and the many opportunities given to be of service, and to the fine pastors of these churches for their cooperation and encouragement. The work has not been without its cross by any means, but it has been a joyful experience. Even to these who at times disagreed and were even critical, I am grateful because it gave me an opportunity for self examination and appraisal. My sincere thanks go to the Associational Secretary who has been a source of encouragement and support by her loyalty and faithfulness and to Miss Gloria Kimball, the summer worker, who helped to make some of this work possible.

Sincerely,
H.A. Privette

SUMMER MISSION WORKER

MISS GLORIA KIMBALL

Miss Gloria Kimball, student at Southeastern Seminary, was employed by the City and Metropolitan Department of the Division of Missions of our Baptist State Convention, for 12 weeks. She served 66 days on the field and traveled 3,437 miles in doing her work.

She assisted in or conducted 13 mission schools, 5 community surveys, and served as counselor for one church youth retreat. She spoke in churches on two occasions: one to a joint WMU and Baptist Men's group, and another on an Off-To-College program. She visited 19 churches and assisted the Associational Missionary on several occasions.

In her own words she gives the following statement:

"Beyond the statistics laid many planning sessions which brought the results of some very good Bible Schools. Getting to know people as individuals and to share their needs was a rare privilege to me. It was only as we left our own back doors that we churches saw the love of Christ experienced in many of these children's lives. We saw a need and rose to the challenge of meeting it to the best of our ability. This to me is what missions is all about.

Working the these Black churches and helping in their Bible Schools was something new and exciting to me. I began to find myself color blind. I also found myself looking at each individual for who he was and loving him even though at times I did not understand his actions. I suddenly began to realize that in a majority of instances, this was the first time that they had ever been in a church. The love of God was foreign to both black and white in many areas and in many homes.

Working in Nursing Home Bible Schools proved to be a joy. Just watching these faces light up at one's appearance made me even more aware of God's love to everyone. Thus looking through the eyes of love is like looking through a glass at this summer of missions."

Respectfully submitted,
Miss Gloria Kimball

In commenting on one of her reports concerning a religious census in a community, she says, "Personally, when I go to the doors and see all these lonely people searching for meaning in their lives, I just want to reach out and say, 'I care.' "

We are indebted to Mr. and Mrs. V.J. Sides, 53 Davidson Drive, USMC, and members of Havelock First Baptist Church for room and board for Miss Kimball during these weeks. They did this without any charge to the Association. Many thanks.

TRUSTEES TO THE ASSOCIATION

The trustees have held in trust all property belonging to the Association. This includes: a lot at Cape Carterett, a lot at Harlowe, and a lot in Vanceboro. The deed for the lot in Craven County at Harlowe as yet has not been located and the title cannot be located on the Register of Deeds records of Craven County. The lot at Vanceboro can be located.

of approximately 40 acres, to the Association for its use in either locating a church or an Associational retreat ground. The Executive Committee of the Association accepted this property at its regular quarterly meeting September 25, and the proper papers are now being drawn up.

FINANCE COMMITTEE

Elsewhere in the Book of Reports you will read the financial statement for the year just ended prepared by our very excellent Treasurer. You will also find the proposed budget for the coming year. Please study this budget and be prepared to make any changes you so desire as we come to the time of its adoption.

Our State Baptist Convention is launching a program of stewardship that would include a ten percent increase in offerings for Associational Missions. If the churches of our Association respond to this challenge, it could result in a greater effort in resort missions and the realization of our Servicemen's Center in Havelock. Knowing Baptists as I do, they are always ready to meet needs when they are aware of them. Let me urge every pastor to make the needs of our Association known to his people in such a way that they will want to respond in total stewardship of time, talents and possessions.

Respectfully submitted,
Rev. Howard Knight, Chrm.

ORDINATION COMMITTEE

The report of the Ordination Committee is negative. The Committee has not been called on this year for an examination of a candidate for the ministry of the Gospel of our Lord Jesus Christ.

The Committee assumes that there has been no minister ordained in the Atlantic Baptist Association in this Associational year.

Respectfully submitted,
Rev. A.L. Benton, Chrm.

ASSOCIATIONAL MUSIC REPORT

The Bible says, "Let the work of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord." (Colossians)

Our Associational Men's Chorus sang at the Associational Men's Rally this past April and demonstrated what spiritual joy can be derived from singing. The Atlantic Baptist Association has officially formed an Associational Youth Choir. These young people, we pray, are awakening to many new avenues of service through music.

Many of our churches are seeing the worthiness of a music ministry, yet some are still apprehensive.

Aristotle said, "Because music has so much to do with the molding of character, it is necessary that we teach it to our children."

What music is there, that is better than church music for molding character?

Respectfully submitted,
Charles DuRant, Director

CHURCH TRAINING PROGRAM REPORT

The year 1971-72 has seen some good things accomplished in the Church Training Department of our Association, but not nearly the growth we would like to have seen. After a delayed start, our "M" Night program was held with the First Baptist Church of Havelock on Monday, November 15th, with Rev. Jason Ross of Wilmington as the speaker. Although the attendance was not as good and as high as we had hoped for, we had a wonderful meeting, blessed by the presence of the Holy Spirit.

A Leadership Training Conference was held February 28-March 3, with conferences being held Monday and Tuesday evenings with the First Baptist Church, Beaufort. Thursday and Friday we met with the Tabernacle Church of New Bern. There were some 70 persons enrolled in these conferences for which we were deeply grateful. The staff, from the Church Training Department of the Baptist State Convention of North Carolina, was among the finest possible and a deep debt of gratitude is owed Mr. Sam O'Neal and his staff.

Youth Night was held on March 18, at the First Baptist Church, Havelock with 115 present. The program was presented by Captain S.A. Ellertson and an assistant from the Marine Air Station, Cherry Point. Several of the Youth of our Association also were on the program of the evening.

On August 4 and 5, our first Associational Youth Retreat was held at Chowan College, Murfreesboro, N.C. with 62 in attendance and representing five of the churches in the Association. All attending had a good time and received a blessing from the Lord.

I would like to take this opportunity to thank all those officers of the Association who helped make this Church Training year a success. Also a special thanks to those pastors who helped promote the activities of the Church Training Department. Praying for a greater year under the leadership of your new Director.

Yours in Christ's service,
Rev. Charles Stouffer, Director
Church Training Department

BAPTIST HOSPITAL

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. Graduates of the Bowman Gray School of Medicine serve in 88 counties of N.C., in 47 states and the District of Columbia, and in 25 different countries. The Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of directo patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the U.S.

In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of the churches.

The operating deficit has been eliminated and the hospital is now operating "in the black."

Rev. George Johnson, Jr.
Associational Representative

THE CHRISTIAN ACTION LEAGUE

The League is rejoicing in the victories that have been won this year. The most outstanding of these is the favorable decision from the Supreme Court of North Carolina in the Mecklenburg Liquor-by-the-Drink case. The Court ruled that this election is null and void in that it violated the constitutional provision in relation to the restraint of trade. It was a costly campaign. Friends over the state have contributed more than $10,000 to be used in this and the Moore County campaigns. There is still a balance due on the expenses of the Mecklenburg Campaign.

At the Annual Meeting of Trustees of the League in Raleigh in April a proposed set of LEGISLATIVE PROPOSALS IN RELATION TO HIGHWAY SAFETY were adopted. These proposals are listed below.

1. An implied consent law with the loopholes removed.
2. The repeal of Senate Bill 110 in regards to issuing limited driving permits to persons who have been convicted of the first offense of driving under the influence.
3. Modify the present implied consent laws that require law enforcement officers to charge or arrest the offender for driving under the influence prior to requesting a chemical test.
4. Increase the minimum penalties for those convicted for driving under the influence, and especially for repeaters.
5. To make it a misdemeanor for driving when the breaTHLYZER reads between .05 and .10.

These legislative proposals were presented to the Highway Safety Sub-Committee of the Legislative Research Commission. At this meeting they were endorsed in their entirety by Colonel Guy, the Commander of the North Carolina Highway Patrol.

We urge you to discuss these proposals with the candidates for the House and Senate from your district. Ask for support of these proposals in the 1973 General Assembly.

MISSIONS COMMITTEE

The Missions Committee met at regular stated meeting dates during this year. It gave assistance to the Associational Missionary when needed. It served as a monitor and guide for the entire associational work.

It also approved requests for pastoral aid to several churches and assistance for the associational finance program to the General Board of the State Convention.

Respectfully submitted,
Rev. Russel Talley, Chairman

VBS DIRECTOR

Twenty-five churches in the Atlantic Association sent in reports this year of the VBS held in their church. There were 2,560 children reached in these schools and approximately 587 teachers and workers being involved. Thirteen of the churches had five-day schools, six had ten-day schools, and the others had either six-day schools or eight-day schools.

The state VBS Clinic held at Wingate College was attended by nine workers from our Association. The Associational VBS Director, Rev. Marvin Hays, was responsible for enlisting these workers, promoting the VBS work, and conducting the associational clinics.

Two associational clinics were held; one was a day session, and the other a night session. Attendance for both clinics was 147 with approximately 13 of our churches being represented.

Respectfully submitted,
Rev. Marvin Hays
Associational VBS Director

EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. 6,000 youth and adults in 425 churches have now participated in Lay Evan-

gelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Outstanding spekaers challenged pastors to involve their people in the total ministry of evangelism through the church.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

The 27th Evangelism Conference will be February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

In the Atlantic Association a Lay Evangelism School was held at the Temple Baptist Church in New Bern and the attendance was very good. Many of the wonderful things that are happening in some of our churches today are a result of this school.

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of N.C. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so - Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (Stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gifts annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use of the foregoing methods in providing for any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

If you have any further questions or need a representative to visit you, you may contact The North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, North Carolina 27611.

STATE MISSIONS REPORT

The churches are on mission to people under the Lordship of Christ - Matthew 28:19-20; Acts 1:8. Churches in cooperative plan express their mission beyond the local congregation. State Missions is interrelated by planning and financing with as-

sociations, the State Convention, Home and Foreign Mission Boards. There is a ministry of State Missions expressed within the local church in Evangelism, Church Programs, and Stewardship Promotion. State Missions is Christian Social Service expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local church. These ministries to areas of need may be altogether supported by State Missions budgeting, or a cooperative budgeting arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specialized ministries include work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences, support of part-time Chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples. A specialized ministry to the deaf includes evangelizing, teaching and counseling the deaf.

Also included is a cooperative plan for Seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions promotes and supports a vigorous ministry in the inner city. State Missions continues a specialized ministry with other races.

State Missions serves the pastor and local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need God and other churches that need help.

1972 COOPERATIVE PROGRAM

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year who could not pay the cost of their care.

The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist Churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Cooperative Program giving?
2. Will you pray for your missionaries and other Cooperative Program causes each day?

1972 REPORT OF THE BIBLICAL RECORDER

The BIBLICAL RECORDER is nearing the 100,000 mark in circulation - thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the RECORDER. During the year, Woodrow W. Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of N.C.

This was also the year that the RECORDER went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to N.C. Baptists. If your church does not have the RECORDER in the budget, or if it does not have club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

People cannot be a Christian without the inspired Word of God. People cannot be a good Baptist in N.C. without the Biblical Recorder.

George Burnham,
Associational Representative

CHRISTIAN HIGHER EDUCATION

Together we seek to provide opportunities for students to seek Truth in an atmosphere of freedom, guided by persons who are committed to God as He is revealed in Jesus Christ. This ideal alway exceeds our grasp. However, it is the ever-present goal toward which we strive. The prayers and active support of North Carolina Baptists are necessary ingredients in helping the actual and the ideal to move more closely together.

One way our churches can help to relieve the financial burden of our schools is through participation in the Baptist College Scholarship Offering Day. Every year many of our churches provide student aid funds for needy North Carolina Baptist students by means of this special offering on Father's Day. Other churches prefer to include this as a regularly budgeted item. We urge more of our churches to enter into this investment in our youth.

HIGHLIGHTS OF THE PAST YEAR

1. Dr. John E. Weems became the sixth president of Meredith College. He was formerly Vice President for Finance and Administration of Middle Tennessee State University.
2. Gardner-Webb College received accreditation as a four-year college by the Southern Association of Colleges and Schools.

3. Seventy young men and women from the seven Baptist Colleges worked in churches across North Carolina through the Baptist Youth Corps program. Their salaries are paid jointly by the colleges and the churches.
4. The inclusive enrollment of the seven Baptist Colleges in North Carolina during this past academic year was 16,609.

AMERICAN BIBLE SOCIETY

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world - a task which calls for the widest possible distribution of the Scriptures. The Bible speaks to the heart of man. And it is the sole purpose of your American Bible Society to provide this Book to men, women and children everywhere, in a language they can understand and at a price they can afford.

At the present time, 97% of the world's population can secure at least a portion (a single book) in their own language and approximately 3,000 translators are presently at work on some six hundred new translations and revisions. At the close of 1971, at least on Book of the Bible had been published in 1,457 languages and dialects, the complete Bible in 253.

During 1971 the American Bible Society -

- distributed 90,129,921 Scriptures within the U.S. This total reflects the continued growth and interest in the use of the Scriptures.
- increased distribution of complete Bible to members of the Armed Services through chaplains, reaching 54,490 copies for an increase of 33.3% over 1970.
- distributed through home missionaries of the Southern Baptist Convention over 300,000 Scriptures.

The 1971 gifts from Southern Baptist stand first in total gifts, the per capita gift from more than 11.8 million members amounts to slightly more than two cents. Southern Baptists can lead, even in per capita gifts, if every church will give. The help of every Southern Baptist church is needed.

Please send the gifts from your church to your State Baptist Convention office, marked "for the American Bible Society."

BAPTIST CHILDREN'S HOMES

For the past eighty-seven years, North Carolina Baptists and their Children's Homes have cooperated in a program of Christian child care. The Homes have been sensitive to human need and have provided children with quality care. North Carolina Baptists have given generous and enthusiastic support to their child care ministry.

The agency is vigorously pursuing its basic purposes. Changing conditions which are affecting American life today are determining factors in the number of children needing our care and the types of care that are needed. More and more we are being asked to serve children with special needs beyond neglect and dependency. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Children's Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. Mills Home is engaged in a year long study to determine how we can best serve the children in the Piedmont Area. The Ten Star Builders' Program is enlisting the support of Eastern North Carolina for Christian child care in our area. Across the state, renewed

effort is being given to the enlistment of foster families. Expanded services to families are being initiated.

One of the major tasks confronting our work in Eastern North Carolina is the upgrading of our campus facilities to meet minimum standards for licensing our child care program. Most of our older buildings at Kennedy Home will require extensive and expensive renovation to meet these standards. Some buildings may have to be completely replaced with new structures. To meet this urgen need, we ask our Baptist friends in Eastern North Carolina to give serious and prayerful thought to increased support for operating expenses and special bequests and donations for capital improvements.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptists. The Cooperative Program continues to be the life-blood of our financial support. The 1971 Thanksgiving Offering channeled $400,000 into our ministry of child care. We deeply appreciate this generous support, and we pledge ourselves to continue this ministry of child care in the name of Christ and on behalf of North Carolina Baptists.

STEWARDSHIP CHAIRMAN'S REPORT ON THE COOPERATIVE PROGRAM

Southern Baptists continue to make a large advance in their mission support program even at a time when many major denominations are cutting back. Cooperative Program receipts at the Southern Baptist Convention level and in many states are well ahead of year ago. This may well be a record year.

During this past year the churches of our Association gave 82345 through the Cooperative Program. 29 churches gave and 3 churches did not give anything to the support of our mission eterprises through this channel.

I. To help the churches of our Association grow in support of Cooperative Program work we recommend that:
   A. Our churches remember the needs of people around the world, keeping in mind the inflationary trends of our economy and plan to increase their contributions to missions.
   B. Every church observe Cooperative Program Day on the third Sunday in April and Cooperative Program Month during October each year.
   C. Contributions through the Cooperative Program be on a percentage basis rather than a fixed figure. To implement a program of percentage increase to world missions through the Cooperative Program we suggest the following formula:
      1. Churches giving under 29%, advance 2% each year up to 20%.
      2. Churches giving 20% but under 30%, advance 1% each year up to 30%.
      3. Churches giving 30% advance 1/2% each year until the objective set by the church is reached.

II. The Stewardship Commission of the Southern Baptist Convention now offers to churches four church budget subscription program options. A guide has also been prepared to help in the selection of the best of the four programs for each church. In addition, a church may still select and build its own budget subscription program using stewardship activity guides. The budget subscription program options are:

The Southern Baptist Program of Christian Stewardship
Committed to Tithe
Stewardship Revival
Simplified Church Budget Development and Promotion

III. Church Fund Raising

The raising of funds for church buildings is becoming a tremendous problem to many Southern Baptist churches. Often the congregation is torn as to whether their major emphasis lies in world mission causes or their own local expansion needs.

The Stewardship Commission now offers two ways for a church to overcome this dilemma. Fund raising programs designed to assist the church in rasiing capital funds and this avoid long term debts are now available.

The BUILDING FOR TODAY'S CHALLENGE program is a "do-it-yourself" program designed for the smaller churches.

The TOGETHER WE BUILD fund raising service is a consultant-led program designed to tailor-make a program for the purpose of raising capital funds.

To assist in the area of raising capital funds we recommend:

A. That every church anticipating a building program within the next three years study the methods available for raising funds.

B. That every church entering a building program conduct some type of program to raise funds before borrowing the total amount.

C. That the churches needing assistance in fund raising contact the Stewardship Commission, 460 James Robertson Parkway, Nashville, Tennessee 37219, for their advice and counsel.

HOMES FOR THE AGING

This has been the best year that we have ever had in our 21 years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. The most significant fact about the support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albermarle, Hamilton, and Yancyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accommodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro. He and Mrs. York gave $80,000.00 for the construction of this new Wing, and the additional money needed was raised by the Trustees of the Homes. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

CHURCH TEACHING

(Sunday School)

Your Associational Sunday School officers have continued to train themselves this past year in order to better be informed in the new programs coming up and thus be prepared to share this information with the churches of our association. We took a

complete team (representatives of all departments) to a Regional Clinic held in Wilmington, North Carolina on March 7, 1972. This was a training session sponsored by the State Convention in what was known as the "Real Life Conference."

What does "Real Life" stand for? It is the title for our Sunday School work for 1972-1973. "Renewal" and "Outreach" will be the goal to be achieved in each Sunday School of the local church. Our emphasis for the next few years in the Sunday School program will be on Reaching People! After receiving our training in Wilmington, your associational team returned home and prepared for an Associational Clinic. This Clinic was held at Cherry Point Baptist Church on May 1, 1972. We had 100 in attendance. I am grateful for the Christian leadership and service that this team rendered through the Bible Teaching Program in our association.

All we need now is motivation to carry out the objectives that are before us. I believe that we all must agree, in light of past performance, that we do not have a great deal of motivation in our churches today. For example, did you know that in our Convention there are 70,000 Sunday School Officers and Teachers? Can you believe that these 70,000 ONLY added 3,000 to our rolls and that most of these were transfers from other churches? Those figures do not suggest motivation by our local churches. But, to add "salt to the wound," we must be reminded that we lost 20,000 people from Sunday School rolls in the last year. Thus by adding 3,000, our NET LOST come to 17,000.

In light of these figures I hope you can see the need for the projected goal of Reaching People. Therefore, with the new year of Sunday School work before us, let us open our eyes to the possibilities that this can be a great year of enrollment, increase, and growth. All across Southern Baptist Convention we are hearing of an intense interest in reaching people on a scale that has not been seen in years. Large numbers of Sunday Schools have literally come alive and have renewed their enlistment efforts with a great deal of success. Don't let it be said that the churches of the Atlantic Baptist Association were left behind in this "renewal and outreach" emphasis.

Rev. Johnny C. McBride
Director of Church Teaching

MEMORIALS

When Jesus was trying to prepare and comfort His disciples just before His death, He said to them - "Let not your heart be troubled - Ye believe in God, believe also in me. In my Father's house are many mansions, if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you unto myself; that where I am, there ye may be also." John 14:1-3

We picture death as coming to destroy - let us rather picture Christ as coming to save. We think of death as sending.

Let us rather think of life as beginning and that more abundantly we think of losing. Let us think of graining. We think of parting; Let us think of meeting. We think of going away; Let us think of arriving. Let us hear the voice of Christ saying, "you are but coming to me."

ASSOCIATIONAL WMU REPORT

The WMU Watchword for 1971-72 was: "All will openly proclaim that Jesus Christ is the Lord to the Glory of God the Father." (Philippians 2:11 TEV)

The Hymn of the year was: "All Hail the Power of Jesus' Name."

Much emphasis has been given throughout the year on Expect - Attempt. "Expect great things from God. Attempt great things for God."

Mrs. Larry Pate accepted the responsibility of WMU Director until the annual meeting was held in April after the resignation of the Director, Mrs. Ellen Fitzgerald. We are all grateful to Mrs. Pate for the services she rendered.

Mrs. W.D. Lee, Sr. was then given the task of Director and was elected to serve for 1972-73.

The main objective of the WMU is to teach missions and prayers are that many of our youth will dedicate themselves to this cause. There are many fields of work where the youth can find satisfaction in knowing that they are helping others to know about Jesus Christ. Our prayers are that many of our young men will hear the call to the ministry and accept this call.

The accomplishments were not as great as they should have been, but there have been many rewarding experiences.

Several of the churches reported the largest offerings for Home and Foreign Missions in the history of the churches. The WMU worked for this accomplishment and there is a feeling that a spiritual awakening is taking place.

Our Associational Missionary, Rev. Privette, kept us informed during the year as to the needs in the Association; especially the day camps, Bible Schools, and Migrant Ministry.

There were several Bible Schools held and some work was done with the Migrant workers. One church reported large attendance at each service in a Migrant camp; at this same camp, a night Bible School was held for the Youth.

Mission Action - "doing and witnessing" for others is an important part of the WMU. There was participation in many ways; some of them were as follows: working with Social Services, Nursing Homes, underprivileged families, transportation for the aged, and witnessing to those without Christ.

Each age-level organization was represented at the WMU workshop at Munda Vista and on September 18, 1972, held a workshop at the Newport church for training of leaders for the new year in WMU work.

These officers are listed in the front of this book along with other Associational officers. They are available to serve you if you will just call on them.

Respectfully submitted,
Mrs. W.D. Lee, Sr.
Associational WMU Director

WMU ASSOCIATIONAL MEETING

THEME: EXPECT - ATTEMPT

The WMU of the Atlantic Association held their annual meeting April 25, 1972, with Morehead City, First Baptist Church, as host. The meeting was presided over by Mrs. Larry Pate, Acting Director, and was called to order by singing the WMU Hymn of the Year, "All Hail the Power of Jesus' Name."

Rev. Howard Knight led us in prayer. Mrs. W.L. Loftin gave the call to prayer, remembering the missionaries with birthdays on that day.

Mrs. Kenneth Putnam, WMU Director of the host church, extended a warm welcome and gave information concerning the day's activities.

Mrs. W.D. Lee, Sr. introduced Miss Kathryn Bullard, Baptist Women's Director of the N.C. State Convention, who inspired us as she spoke, with enthusiasm, concerning the work of WMU. She stressed Expect - Attempt throughout her program.

Mrs. R.A. Stainback introduced Mrs. J. Winston Pearce who recently returned from Switzerland. She and Mr. Pearce were there on a special assignment. She related to us the work being done there by the International Seminary.

There is much mission work being done in this small country and in an interesting manner. She told of the work and the beauty of the country.

The Nominating Committee composed of Mrs. R.A. Stainback, Chairman, Mrs. Neal Hollis, and Mrs. Harry Crump presented the officers for the year 1972-1973. These are listed elsewhere in this book with the other Associational officers. The officers were installed by Rev. Johnny McBride, pastor of Temple Church.

Our Associational Missionary informed us of the needs for Bible Schools and work among the Migrant workers. He urged that we accept the responsibility of helping to promote this work.

Mr. Howard Wilson, Music and Educational Director from First Baptist Church, Beaufort, directed our musical part of the program and rendered special music during the program. He was accompanied at the piano by Mrs. Daniel Deaton, also from the Beaufort Church.

We wish to thank the courtesy committee of the Morehead Church, Mrs. Hopie Beaman, Mrs. W.G. Dixon, and Mrs. J.S. Woolard and to everyone who had a part in the preparation of the delicious lunch served to us.

The meeting was dismissed by Rev. Fred Mauney, Associational Moderator.

Next place of meeting:

National Avenue Baptist Church, New Bern, April 24, 1973.

Respectfully submitted,
Mrs. W.D. Lee, Sr.
Associational WMU Director

ATLANTIC MISSIONARY BAPTIST CHURCH HISTORY

In November 1896 a group of nine people met and organized a new church in Atlantic to be known as the Leary Memorial Church in honor of Mr. Thomas A. Leary of Morehead City, who was the first Missionary Baptist to preach here.

This organization was under the leadership of Mr. Walter N. Johnson who was at the time the teacher and preacher of the community. The services were held in an old store near the water's edge. At the close of the school year, Mr. Johnson left taking with him his two sisters, his aunt and cousin who were members of this newly organized church. Mrs. T.W. Nelson, Mrs. Mary L. Smith, Mr. Charles Mason, and Mr. George Mason were the four members left without a leader for about three years.

About the year 1899, Mr. Baskins came. He preached once every two months for a year. A Mr. Hall succeeded him for another year. During these years no additions were made to the church.

Then one summer, Mr. Charlie Paul of Davis held a revival in the yard of Mr. Charles Mason and two members were added. Others became interested and soon after this Mr. E.A. Paul was called as pastor. For eleven years he labored preaching once a month until our membership had increased from six to eighty. At the beginning of his pastorate a private schoolhouse was used for church services. Later the schoolhouse was bought and converted into a church. Mr. Paul left us in 1920. He was succeeded by Mr. Belch who left at the close of 1921. Mr. Ingram was here in 1922. During the early part of 1923 the Beaufort pastor supplied for us. In the summer of 1923 Mr. Blanchard conducted a revival and at its close, Rev. S.S. McGregor was

called as pastor. At this time the name of the church was changed from Leary Memorial to the Atlantic Missionary Baptist Church.

Mr. McGregor was succeeded by Mr. G.P. Lanier in January 1925 who was paid a salary of $500.00 A committee was appointed to collect money from the church members for missions. A committee was also appointed to see the negligent church members. On September 27, 1925 in a business session, a motion was made and seconded "that the church make it obligatory on the part of each member of the church covenant at least once a year in public".

Rev. C.A. Lineberger was called as pastor in January 1927. At this time church membership had grown to eighty-six. In February 1928, under the leadership of Rev. Lineberger definite plans were made to tear down the old church and build a new one on a new site. On Monday, after the first Sunday in March, men, women and children met and began to tear down the old structure. It had to be done carefully because all usable material must go into the new building. The church was called in conference on March 4, 1928 for the purpose of making plans for the new church, which began April 7, 1928. The building committee of the church was composed of the following: Rev. C.A. Lineberger, Myrtle Morris, T.W. Nelson and Clayton Fulcher, Sr. In this same business meeting, the church voted to accept the lot given by Mr. & Mrs. William Nelson on which to place the new building. This building was completed by the third Sunday in June 1928 at a total cost of $3,000.00. Mr. Lineberger left in 1934.

Rev. W.B. Sprinkle succeeded Rev. Lineberger in 1934 and ramained here until 1939. The budget for 1937 was as follows: $225.00 pastor's salary; $35.00 missions; $10.00 orphanage; $200.00 fuel; $6.00 janitor bill; $2.00 minutes; $15.00 ministerial help in meetings; $10.00 help for local poor; $15.00 repairs. The total budget was $338.00. New pews were purchased in 1938 for $800.00 and the total budget for that year was $1,156.90.

Rev. F.L. Israel accepted the pastorate in 1939 and remained until 1942 when he resigned to become a chaplain in the Army. A budget of $600.00 was approved for the year 1940 and during the year receipts of the church were $646.00. The budget for the year 1941 was set at $600.00.

From 1942 until 1943 the church was without a pastor. Rev. W.B. Byerly, Rev. M.O. Alexander and Rev. Hamphill supplied at times during the year.

On October 17, 1943, Reverend L.C. Chandler preached his first sermon as pastor of the church. On October 21, 1943 the church made an application to the State Mission Board for $100.00 aid in the pastor's salary. On November 21, 1943 the church adopted the Unified Budget plan and approved the budget for 1944 in the amount of $1,254.00 or an average of $24.12 per week.

In 1948 a spring revival was held with Dr. John Bunn, pastor of the Morehead City Baptist Church, preaching in which forty-six persons united with the church. Thirty-nine persons came for baptism. This has been one of the greatest outward evidences of the presence of the Holy Spirit in the history of the church.

At 2:30 p.m., Wednesday afternoon, July 13, 1949 a ground breaking ceremony was held on the church lawn in preparation for the construction of a new church auditorium. On January 24, 1950 the church authorized the Trustees to borrow $10,000.00 to pay on the new church building. The new auditorium was erected at a cost of $32,000.00 and used for worship on Easter morning 1950. It was dedicated on Easter Sunday morning 1953. During this time the pastor's salary was increased from $2,000.00 to $2,666.00 on February 17, 1952. Reverend L.C. Chandler resigned on May 25, 1953. Under his capable leadership, the membership of the church increased to 190.

On July 15, 1953, the Reverend John W. Privott accepted the pastorate of the Atlantic and Smyrna Baptist churches. During the year 1953 a parsonage was purchased and dedicated on Thanksgiving night, November 26th. In August of the same year a Hammond organ was purchased. In April 1954 Sunday School classes were re-organized and the Sunday School was age-graded.

On June 13, 1954 plans and sketches were presented to the church for a new educational building. These plans were approved by the church and an architect was employed to complete the work. At noon on Friday, September 3, 1954 the new church building was completely destroyed by fire of an undertermined origin. Plans were made immediately to secure plans from the Baptist Sunday School Board for a new church and educational building. On September 5, 1954 a lot was purchased for $2,000.00 on the east side of the Highway #70 to be used as a new church lot. The actual construction of the new building began on March 8, 1955 with contracts having been let previously in the sum of some $108,000.00 including the cost of the lot. During the construction of the building, a fish house was used for worship services and other buildings in the community helped to house the Sunday School.

At a time when so much money was expended for physical facilities at home, the church gave more to missions than ever in her history; $3,159.00 during the year 1954-1955.

The first service was held in the new building on October 16, 1956. On June 1st of that same year the Atlantic Baptist Church began fulltime services for the first time in her history - having dissolved the working relationship with Smyrna Baptist Church. This was a venture of faith. Rev. Privott remained in Atlantic when this decision was made. The work of the Lord grew much in depth under the leadership of Reverend Privott. At the close of the church year 1957, the membership was 210. On February 1, 1958, Reverend Privott resigned to become the missionary of the Atlantic Baptist Association.

Reverend P.H. Quidley became the next pastor of the Atlantic Baptist Church on March 1, 1958. Under his guidance the church continued the growth of previous years. The church was under the heavy load of financial responsibility throughout Rev. Quidley's ministry. During these years the church was able to meet her payments on the debt for the new building. Under his direction the membership of the church grew to 236, On May 30, 1960 Rev. Quidley resigned to become pastor of the Comer's Chapel Baptist Church of Madison, North Carolina.

It was felt by the church that a student from the Southeastern Baptist Theological Seminary in Wake Forest, N.C., should be called for the summer of 1960 as interim pastor. William C. Adams was called to serve for that period.

On August 7, 1960, Reverend Adams was called as full time pastor of the church, with the understanding that he would be allowed to continue his studies at the Seminary.

On November 27, 1960 the church decided to sell the old church building for the sum of $350.01.

On February 26, 1961 a Constitution Committee was elected by the church to draft a Constitution and By-Laws for the church. This committee made its report and the church adopted its first constitution and by-laws on March 5, 1961.

The debt on our present building was liquidated on October 20, 1961 and with great joy and humility, the present building was dedicated to the glory of God on November 19, 1961.

On January 14, 1962 the Brotherhood was given authority to rebuild the cemetery fence that was destroyed by fire when the old building was burned.

On April 1, 1962 the deacons recommended that all employees of our church be covered by the Social Security Act. This covered the pastor, janitor, and any future employees.

On May 6, 1962 the Building and Grounds Committee was given the authority to purchase a new bulletin board for the front lawn, the present one to be repainted and moved to the west end of the community.

On February 17, 1963 Rev. Adams offered his resignation to be effective on March 18, 1963.

During the summer of 1963, the Rev. Charles T. Stevens, Jr. served as interim pastor. He and his wife Yvonne were with us seven months. During his ministry, the Rev. William Jones was called as pastor.

Rev. Jones accepted the call and on November 10, 1963, he with his wife and two daughters became members of our church. During his stay, repairs on both church and parsonage were made. A building fund was established and a separate treasurer elected for this fund. He re-organized the R.A.'s and was assisted by Roy Cockerham.

On August 2, 1964 the church set the third Sunday in October for Homecoming Day. It was later changed to the second Sunday in October. The budget for the church year 1964-1965 was $13,596.08. In February of 1965 we had a school of missions. A missionary was with us at that time.

On July 3, 1966, Rev. Jones presented his letter of resignation to be effective Friday, August 12, 1966.

On December 18, 1966, the Rev. John W. Spencer was called to succeed Rev. Jones. He preached his first sermon as pastor on January 29, 1967. Beginning in 1968, under his leadership, we had United Thanksgiving services enjoyed by the community. Also, in 1968 a Sunday School Class for the young-married couples was organized. This class is serving the church well.

In 1969 the church bought new bulletins with the picture of the church on front, which continues until the present time. During this time midweek bulletins were also issued to each family.

In 1970 a well equipped library was organized with Mrs. Beulah VanSant Taylor as Librarian. During this year, a movie projector and a filmstrip projector were purchased.

It was in the year 1970 that much discussion took place about erecting a youth building and calling a youth director. Since no youth director could be found for the salary we could pay, this idea was abandoned, but in the spring of 1971, Jack Green was called to work with the youth during the summer. The old teacherage building was rented for the Youth Center. Our pastor, Mr. Spencer, is continuing the work set up by Jack Green.

During the summers of 1968, 1969, and 1970 the church spent much time ministering to the migrants. They appreciated and spiritual and material help given them.

During the spring of 1971 the Building and Ground Committee decided to make the church grounds more beautiful, so $227.00 of new shrubbery was planted by Copeland's Nursery.

Under Rev. Spencer's ministry our membership has grown from 239 to 259.

It is our prayer that we may press forward toward the high calling of God in Christ Jesus for this church.

August 17, 1971

Note: On August 28, 1972, Mr. Spencer resigned. At the present time we are without a pastor. The pulpit committee is looking for someone. 10/4/72

REPORT OF ASSOCIATIONAL MISSIONARY

This past year has been a very busy one and a very successful one in Associational Missions in the Atlantic Association. Our churches are in the best spiritual condition than at any time in the tenure of this Missionary. We have no churches with serious internal problems. We have three churches (excluding a field of three churches now being served by a convention staff member) who are without pastors. The pastors we have coming to the Association are men of high caliber, devoted, dedicated, and well trained. The churches are learning that they get what they pay for and that there are few bargains on the counter where pastors are concerned; in fact, they are seeing that these bargain counter type pastors often brings more problems than the church already had.

Your Associational Missionary and the Secretary has stayed busy. Slides made in the Holy Land have been shared with many churches and special groups. The "Together We Advance" program has been diligently promoted. Special study and training events have been set up for the advancement of the churches including: Seminary Extension Study of Galatians, Deacon's School (very successful), Literacy Workshop, Sunday School Training Workshop. Several local church training institutes were conducted along with an area Sunday School Revival led by the Sunday School Department of the Baptist State Convention.

One Youth Retreat was conducted at Chowan College and a special Associational Youth Meeting. An RA Encampment was arranged and carried out with splendid results. Assistance was given to the churches in any area where such was requested; such as, deacon ordination, Pulpit Committee, pulpit supply, special conferences and counseling, and many individual or personal conferences concerning both personal and church related objects. Advice was given wherever it was requested or the need indicated; it seems to work according to the results noted. Churches were visited whenever time and opportunity was available; more requests were made for pulpit supply than could be accepted. These are taken on a first come, first served basis. When not preaching, churches were visited when possible. Many special events were attended such as revivals, homecomings, dedications of buildings and other objects. I served as ex-officio member on all associational committees and conferences, promoted World Missions Conference, also worked with the mission organizations in all phases of the work. Twenty-five thousand miles were traveled in doing the work for the association.

Ten conferences were attended outside the Association including: Sunday School Briefing Meeting, Raleigh; Associational Missionaries Conference, Fuitland; Church Training Conference, Wilmington; Planning Conference for Oriental Fellowship, Jacksonville; VBS Clinic Wingate; Small Church Conference, Ridgecrest; Baptist Men and Boys Seminar, Greenville; Chaplaincy Meeting, Raleigh; Oriental Fellowship, Jacksonville.

We are grateful to God for His blessings upon this Association. A wonderful spirit of cooperation and fellowship exists among our pastors and churches.

Many of our churches are growing in numbers and spirit with many of them ministering to practically full houses on the Lord's day. The foundation has been laid for even greater progress and it will come. The greatest need of the churches today is a planned program for each and every church and the training of people who can and will lead and carry out the plans.

Thank you for the opportunity of serving God with you. Thank you for helping make this ministry possible by your continued prayers, cooperation, and support of the work. Gratitude and appreciation is extended to the faithful office secretary, Mrs.

Fletcher Wright, for her continued support, encouragement, and patience. Her service is indispensable and it is appreciated by all of us.

Respectfully,
H.A. Privette

REPORT OF ORDINATION COMMITTEE

The Ordination Committee has not been called on this year for an examination of a candidate for the ministry of the Gospel of our Lord Jesus Christ. The Committee has been called on, however, for advice concerning the licensing and ordination of a candidate.

The Committee assumes that there has been no ministers ordained in the Atlantic Baptist Association in this Associational year.

Respectfully submitted,
Rev. George A. Johnson, Jr.
Chairman

REPORT OF NOMINATING COMMITTEE

Elsewhere in this book of reports you will find an Associational Directory. This is the slate of officers that the Nominating Committee would like to present to the Association for the year 1973-74. We have worked very diligently and sought to provide the Association with the best slate of officers possible.

Respectfully submitted,
Mr. Roy Clemmons
Chairman

ASSOCIATIONAL MIGRANT MINISTRY REPORT

The Migrant Ministry this year was not up to the level of the past few years. Several churches accepted the responsibility for ministering to Migrant Camps but did not make adequate preparation. To be successful, plans must be made well in advance and the ministry must be adapted to fit the situation. We have to go when we can get to them. Their business is to work and their program does not call for set schedules. These people are at their camps only three or four weeks and what we do must be done quickly and sincerely.

We are grateful to the following churches for their ministry to these needy people:

TABERNACLE: 3 visits, 20 health kits and Bibles.

CHERRY POINT: 2 worship services and 2 Bible study for children with 40 in attendance, 25 health kits, and other scripture portions, and 5 commitments were made.

NATIONAL AVENUE: 2 visits were made and health kits and New Testaments distributed.

REV. WADE BUNCE: 5 visits, approximately 100 in attendance, distributed 5 Bibles, 42 New Testaments, and 50 Tracts. There were 5 rededications.

There was some additional ministry by churches that did not fill out and return the requested report. Thus, we have now way of knowing what type and how many visits these churches made.

Our prayers are that next year the churches will accept responsibility for all camps

in our area and make adequate preparation for an efficient spiritual ministry to these. If we go in love and minister to them in a genuine spiritual way, these people will respond. It is a great and satisfying ministry. God blesses it.

H.A. Privette

ASSOCIATIONAL CHURCH TRAINING REPORT

The Church Training year got off to a good start with a very successful "M" (Mobilization) Night at the First Baptist Church of Havelock, Monday Night, November 27, 1972. There were 446 people in attendance, according to the registration slips and it is believed that there were others that did not register. The participation and co-operation of all of our churches was outstanding and encouraging. Our Associational Missionary, Rev. Henry Privette, and Rev. Daniel Deaton from the First Baptist Church, Beaufort, brought messages concerning the "Church in Training" and the value of training to a church. Special music was rendered by the Youth Choir of the Tabernacle Church in New Bern. The Holy Spirit was there and the fellowship was wonderful. At the close of the service Miss Lynn Dyson of the National Avenue Church, New Bern, was crowned "Church Training Queen" for her church since they had the most people present. Miss Anita Huffman of the Tabernacle Baptist Church, New Bern, was runner up with her church having the next highest attendance.

The Marshallberg Church received a banner recognizing them for having the largest percentage of their Church Training members present. Pictures were taken of the Queens and their pastors present and each one was presented with a picture.

Church Training Associational Annual Youth Night was held on March 17, 1973, at the First Baptist Church, Havelock, with approximately 200 people in attendance. Special Music was rendered by the Youth Choir of Tabernacle Church, New Bern, under the direction of Miss Drenda Paul. A timely and inspiring message was brought by Rev. Joe Coltrane of the Newport Baptist Church, Newport.

I was glad to hear one pastor report that he had started a Church Training program in his church. I believe that every church should have a Church Training Program to help members to grow in grace and knowledge, to help develop leadership, to make better church members, better Christians, and to strengthen the church to fulfill its mission.

If I can be of service to any church in our Association to help start a training program or help in your training program, I am available.

I would like to take this opportunity to thank the pastors and the Chruch Training Directors of our Association for their help, cooperation and promotion of the Church Training Program during this past year. Lets, with the help of the Holy Spirit, do a better job in the new year (1973-1974).

Yours in Christ's Service,
James French
Church Training Director

ASSOCIATIONAL WMU REPORT

"Ask of me, and I will make the nations your heritage, and the ends of the earth your possession." (Psalm 2:8 RSV)

This was our WMU watchword for the year 1972-73. Your Directors have kept this before them throughout the year, and have offered our services to each age level organization where needed.

We have strived to keep missions before the people at all times, this being our main objective. Several churches have asked for help with mission study and organization. We have organized youth groups for girls in two churches.

The offering for Home and Foreign Missions have continued to grow, also State Missions. Associational Missions have not been stressed in our Association as strong as it sould be. Our aim is to work harder for this cause, and support our Missionary in his efforts to witness in our back yard. The Field is white unto harvest; wil YOU help us reap this harvest?

The Executive Committee met quarterly to formulate plans and evaluate the last quarter's work. These meetings were well attended. We are grateful for the support given to us by our Associational Missionary. He attended these meetings and kept us informed as to the workings of the Association.

We participated in Bible Schools, Migrant Camp Worship Services, worked with Social Service, Nursing Homes, underprivileged families, and also witnessed to others with out Christ.

A Workshop was held at the Newport Church for the Church WMU Leaders in the Association. This meeting was well attended with 93 being present. The leaders of these conferences were the Associational Directors and they received special training.

The Associational WMU Officers are listed elsewhere in this book. They are available to serve you if you will just call on them.

Respectfully submitted,
Mrs. W.D. Lee, Sr.
Associational WMU Director

Due to time and lack of space, the minutes of the WMU Annual Meeting held in April of 1973 will be recorded in the WMU Book of Reports which will be distributed at their up coming Annual Meeting in April of 1974.

SEMINARY EXTENSION REPRESENTATIVE REPORT

Seminary Extension offers a wide and varied program of Christian study. The Basic Curriculum is for persons who prefer easy-to read study materials. The College-Level Curriculum is for persons who prefer to study on a level challenging to most people who have had any high school or college training, including seminary graduates desiring refresher courses. The Continuing Education Curriculum is for persons who prefer advanced study with special appeal to seminary graduates.

These are available either through group study in Seminary Extension Centers or through personal study in Correspondence Courses in the home. The cost for either is reasonable.

A person may work toward one of three specialized certificates or an advanced certificate. The specialized certificates are: Pastoral Training; Religious Education; or Christian Life Development. The specialized certificates requires twelve additional courses.

For additional information contact your Associational Seminary Extension Representative, Rev. Elwin Melton, Box 555, Havelock, North Carolina 28532, or Seminary Extension Department, Southern Baptist Convention Building, P.O. Box 1411, Nashville, Tennessee 37202.

ASSOCIATIONAL REPORT OF TRUSTEES

The trustees have held in trust all property belonging to the Association as listed on page 32, 33, of the 1972 Minutes.

In addition to property and material, and equipment listed here in this report, the Association secured in the past year a deed for a one-tenth share in an estate on the Broad Creek road in Craven County near the Treasure Cove Development. No definite division has been made in the property, but plans are in the process of being carried out for a settlement in the estate.

NORTH CAROLINA BAPTIST HOSPITAL REPORT TO THE ASSOCIATION

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923, "to bring the healing art more definitely under the dominion of the Great Healer".

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Thearpy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovations will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The Hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This Committee will consider matters involving the Medical Center and its future operation.
2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000 - nearly four times the amount of the Mother's Day Offering - and this does not include the value of physicians' service, provided without cost to these service patients.
3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satelite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a

general room rate increase in 2 1/2 years. As of this date, the Mother's Day Offerings are running ahead of last year.

Our Associational Mother's Day Offering was not as good in 1973 as in 1972. In 1972, we gave $2,957,00, and in 1973, we gave $2,295.90. In 1972, twenty-five churches in our Association gave to the Mother's Day Offering while only twenty-one gave in 1973. The following is a breakdown of gifts by churches:

REPORT OF AMERICAN BIBLE SOCIETY

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world. Since the eternal truths of the Bible speak to the heart and mind of man, the sole purpose and mission of the Bible Societies is to make God's word available to all men everywhere in a language and form they can easily read and understand and at a price they can afford.

To fulfill this urgent need the Bible Societies have embarked on an ambitious program for the development of Scripture Literacy Selections to meet the rapidly mounting rate of literacy growth around the globe. This program is being built on the theme: "Let the World Speak."

"Graded" Scriptures are being designed on five progressive reading levels to lead new readers from literacy primer levels to reading levels of the normal "Common Language." Before the end of the decade, these Scripture Literacy Selections will be prepared in 100 languages.

At the same time the Bible Societies are translating the Scriptures into understandable, everyday language, such as "Good News for Modern Man," the New Testament in Today's English Version, of which over 40 million copies have already been distributed - the all-time best seller in the history of paperback publications.

During 1972 the American Bible Society:

Distributed 121,122,596 copies of Scripture within the United States. Provided 704, 849 copies of Scripture for the blind in special format - Braille, records, tapes and cassettes. Opened a new Southern regional distribution office in Atlanta, Georgia, to serve better the Scripture needs of Christians in the South.

Published "Wisdom for Modern Man: Proverbs and Ecclesiastes" in the Today's English Version. Also published, at the request of the Home Mission Board and the National Student Ministries of the Southern Baptist Convention, the "Jesus" book for the January Bible Study needs throughout the Southern Baptist Convention.

Made thousands of scripture available to the SBC for the 1973 Nationwide Evangelistic Campaign, Key '73.

Invited Miss Alma Hunt, Executive Secretary, Woman's Missionary Union, SBC, as a delegate to the first United Bible Societies' World Assembly in Addis Ababa, Ethiopia, in September 1972.

Through gifts to the ABS, SBC churches show their deep and continued interest in providing the Word of God for people everywhere in their native tongues.

During the past six years, Southern Baptists lead all other U.S. denominations in their gifts to ABS. In 1972 they gave $233,752.00. Please send all gifts to your State Baptist Convention office, marked "for the American Bible Society."

1973 REPORT
ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 percent. Just before Christmas, 1972, more that 7,000 annuitants received "13th Checks" amounting to the size of two extra month's benefits. The "13th Checks" are paid in addi-

tion to the regular monthly payments.

Participants in Plans A-10, A-11, and A-25 on January 1, 1973, had their accrued credits increased by 10 percent in "good experience credit," and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state convention) an increase in widow benefits under Plan A to 50 percent of the potential or actual retirement benefit; previously it was 40 percent. This increase applies to those retiring January 1, 1973, and after.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal reitrement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months (or a total of $12,000) if the participant died before age 40. The length of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973, or after.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross-Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company.

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the 12-month period surpassed $10 million for the first time.

The total amount of money paid in "13th Checks" exceeded one million dollars, also for the first time. Good investment results in 1972 on funds held to pay benefits account for this dividend.

Income from premiums and dues topped $30 million, another record.

As of June 1, 1973 in the ATLANTIC ASSOCIATION 24 churches and the Association were participating in the Retirement Program.

REPORT OF CHRISTIAN HIGHER EDUCATION

CHURCHES AND COLLEGES WORKING TOGETHER

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church college cooperation is the Baptist Youth Corps, which provides dedicated student leadership for more than eight North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

COOPERATIVE PROGRAM

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian Higher Education. Your colleges share this support as follows:

Cambell College	$ 340,721
Chowan College	212,951
Gardner-Webb College	249,153
Mars Hill College	296,002
Meredith College	296,002
Wake Forest University	517,471
Wingate College	217,210
	$ 2,129,510

THE IMPORTANCE OF BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist Colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of the seven Baptist Colleges in North Carolina.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Since 1945, the cooperative efforts and relationships of North Carolina Baptist Colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

REPORT OF BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Convention. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperatve Program of the Convention.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors.

At the fiscal year ending June 30, 1972, the cost of inventory value of all securities, notes and principal cash of all funds being administered by the Foundation exceeded $713,560.00, (real estate not included). During the preceding year, beneficiaries of existing trusts were paid $23,483.82. A total of $105,531.08 has been paid to Baptist institutions, agencies, and causes during the past five years from the income of invested Foundation funds.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to

estate planning, involving gifts to Baptist institutions, agencies, and causes. The Foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donors and or other beneficiaries can receive annuities from the Foundation during their lifetime, and can also receive certain tax benefits provided for such gifts.

The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist work.

REPORT OF BIBLICAL RECORDER

This has been another good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000 - the highest in the 140-year history of the RECORDER. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the RECORDER each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible - one that is attractive and filled with interesting and helpful material. In addition, news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this committee which is studying the baptism issue in our state. The RECORDER will carry the full report of this committee 60 days before the convention meets in Greensboro. The RECORDER'S coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way - full information which comes with freedom of the press.

As you know, the RECORDER has for years led the fight against liquor by the drink. Now the issue is up to the people in a statewide referendum on November 6. The RECORDER will continue to give you information that will help win this fight against liquor interests and those who would profit from liquor by the drink if this passes-which we hope and pray it won't. If individual Baptists will be come as concerned about this evil as the RECORDER is, a great victory for decency will be won in November.

Those of you who receive the RECORDER know what it contains each week - timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, Letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

Those of you who don't get the RECORDER should subscribe immediately, either by putting the RECORDER in your budget for only $2.50 a year or by starting a club of four or more for only $3 a year. Where else can you get so much for so little?

STEWARDSHIP - COOPERATIVE PROGRAM REPORT

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well you special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,138 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Four of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1972. These four associations were: Anson, Flat River, Tar River, and Yates.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational missions giving by 10% or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Co-operative Program prayer month?
3. Will you send your check for Cooperative Program EACH MONTH to Baptist State Convention of North Carolina P.O. Box 26508, Raleigh, N.C. 27611?
4. Will you help us have a good STEWARDSHIP WORKSHOP in your association next spring or summer, so we can:
   (1) Study recommendations for pastor and staff salary increases
   (2) Get an overview of available program helps for each church in stewardship
   (3) Receive a report on where you are in YOUR GOALS for associational and Cooperative Program giving?

REPORT TO THE ASSOCIATION
EASTERN AREA
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC. 1973

The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, socially, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

Hundreds of dependent children are served from three primary centers of operation, namely: Kennedy Home in the East; Mills Home in the Piedmont; and Broyhill Home in the West. From these centers North Carolina Baptists provide group care, foster home care, family services, preschool education, higher education, and maternity care.

In Eastern North Carolina the Ten Star Builders Program continues to offer exciting opportunities for a great host of friends to share in developing modern facilities and the most up-to-date services for needy children and families. Although a new cottage for children is being constructed on the Kennedy Home campus, the major emphasis of the Ten Star Builders Program for 1973-74 will be in the direction of the expansion of Odum Home at Pembroke, North Carolina. A challenge gift has al-

ready been promised for the construction of a Recreation Building. A campaign is under way this fall to raise funds for two family-style cottages for children and a residence for the Director.

In Eastern North Carolina we have a strong and growing group of families who have opened their hearts and homes to foster children. However, from time to time we have a need for additional foster homes for some children who have special needs which cannot be met adequately in group care. If you are interested, write or call our nearest office.

The Baptist Children's Homes of North Carolina has always operated on a very conservative budget. Therefore we make a strong appeal to our Baptist people and other friends for increased financial support to the Cooperative Program, the Thanksgiving Offering, and special gifts. A fifteen percent increase is desperately needed in order to enable us to continue an effective ministry at the present level. It shall be our purpose in the future, as in the past, to keep faith with our Baptist people in providing a Christian home and way of life for the boys and girls we serve. Thank you for the numerous ways you help to make this ministry possible.

EVANGELISM REPORT - 1973

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte - February 5-7, 1973. Over 2,400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

The Division of Evangelism has encouraged churches to participate in KEY 73. One hundred and fifty denominations are sharing in this evangelistic effort. The purpose of KEY 73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also 107 pastors from 9 associations shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools.

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, February 4-6, 1974.

REPORT OF NORTH CAROLINA BAPTIST HOMES FOR THE AGING

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of

faith in God. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem and one each in Albermarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Homes' residents when nursing care is needed.

Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts.

Be glad also for the fact that your love gifts make possible quality care. There is someone serving around the clock watching over the residents and patients even as they sleep. One of our Supervisors, or "Mothers" as they are often called was given the name of "Guardian Angel", when a resident, during an illness discovered later that the "Mother" was keeping vigil just outside her door.

Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

THE REPORT OF THE MISSIONS COMMITTEE

The Missions Committee is given the responsibility to fulfill on behalf of the Association of Churches the purpose of strengthening the Churches and extending the outreach of the Churches within a defined geographic area.

The challenge given to the Missions Committee is to formulate plans, or projects, and through the Executive Board, and the Association, execute the will of the cooper-

ating Churches in the Association.

During the last quarter of the Associational year, this Committee has begun to grasp a sense of direction and purpose to fulfill its mission.

The elected leaders serve with the Moderator and the Associational Missionary as an evaluating and as an advising committee to the Association. An example of its interest and desire to extend the cause of Christ in our area of responsibility is evident from the recommendation that the Swansboro Church sponsor new work when practical to do so in the incorporated community of Cape Cartaret.

The overall view of the entire Associational Program is considered at each meeting, hearing reports, requests and concepts from each divisional head of the Association. There leaders along, with those elected at large, in turn bring in reports and possible recommendations to the Executive Committee, the Association in session between Annual Associational Meetings.

Another area of responsibility in addition to those mentioned above is that of giving directives and counsel to the Associational Missionary in our mutual attempt to fulfill the commands of our Lord and Savior Jesus Christ.

Respectively Submitted,
Paul E. Bruce, Chairman
of the Missions Committee

RESOLUTIONS COMMITTEE

WHEREAS, the voters of North Carolina are called upon to go to the polls on November 6, 1973, and deal with the ever present dangers associated with alcoholic beverages, liquor by the drink being presented and advocated as an "improved" method of dealing with the strong drink problem; and

WHEREAS, the proposal permitting the sale of liquor by the drink, while clothed in language by the proponents which would make it appear to offer a less harmful method of dealing with this age old enemy of mankind, is in fact a movement relevant directly or indirectly by the liquor interest to increase consumption, and thus further enrich those who profit from its sale; and

WHEREAS, to authorize the sale of liquor by the drink is to sanction the increased use and accessibility of what the Federal Government has designated as our number ONE drug problem, and is an additional step toward and eventual plan to establish open bars, or their equivalent;

NOW THEREFORE BE IT RESOLVED by the Atlantic Baptist Association, comprising the Missionary Baptist Church of Craven, Carteret, Jones, Pamlico, Onslow, and Beaufort Counties:

1. That we reguard the proposal to legalize the sale of liquor by the drink, as a further surrender to the liquor interest, and in every way contrary to the safety and best interest of our people, and urge everyone who is against promoting the increased accessibility and sales of this NUMBER ONE DRUG problem in America, to go to the polls on November 6, 1973, and vote against this measure.

2. We further request and urge that you not only go to the polls and cast your ballot against this proposition, but that you give of your time and means toward acquainting your friends and neighbors with the fact that while there may be those who honestly believe the sale of liquor by the drink to be a preferable method of control we believe this proposal to legalize the sale of liquor by the drink to be a further effort on the part of the liquor interest, directly or indirectly, to increase the consumption of this dangerous drug, for the profits involved, notwithstanding the havoc

wrought by the sue of strong drink over the years.

3. That a copy of this resolution be spread upon the minutes of said Atlantic Baptist Association, and a copy furnished to the press.

Mrs. Larry B. Pate Chairman
Res. Committee

PROPOSED CONSTITUTION FOR STUDY
ATLANTIC BAPTIST ASSOCIATION

PREAMBLE

We, the members of Missionary Baptist Churches cooperating with the Baptist State Convention of North Carolina and the Southern Baptist Convention, located in the counties of Carteret, Craven, Beaufort, Pamlico, Jones, and Onslow in the State of North Carolina do purpose to establish and maintain the principles, order, and rules of a District Baptist Association in conformity to the following plan:

ARTICLE I - NAME

The Association shall be known as the Atlantic Baptist Association of North Carolina.

ARTICLE II - OBJECTIVES

SECTION 1. It shall be the purpose of the association to cooperate with the State and Southern Baptist Convention in the promotion of Christian missions at home and abroad and in any related program such as evangelism, christian education, benevolent enterprises, and social services which it may deem proper and advisable for the advancement of the Kingdom of God.

SECTION 2. To advise, give counsel, and promote missions for the well being, growth, and stability of individual churches when requested by the pastors or representative groups from the churches. In no case shall the association have or exert ecclesiastical jurisdiction over the churches.

SECTION 3. To devise and recommend means for increasing the intellectual and spiritual powers of the churches and to direct their agencies, resources, and gifts in advancing the Redeemer's Kingdom throughout the whole world in conformity with the teachings of the New Testament.

SECTION 4. To assist in the organization of new churches, mission points, Sunday Schools, special mission activities, and projects were deemed advisable.

ARTICLE III - MEMBERSHIP

SECTION 1. The association shall be composed of the officers, pastors, and elected messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice and that support the association financially and cooperatively.

SECTION 2. The Association shall be the sole judge of its membership and may receive churches into its fellowship or reject them according to its Constitution and By-Laws. Churches affiliated may withdraw as they desire by presenting a written letter of request to the Annual Meeting of the Association. If affiliating with another Association of like faith and order, a letter of dismissal and recommendation shall be granted upon request.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee in writing at least three months before the Annual Meeting. This Committee (Membership) shall study diligently the applying church as to its faith, doctrinal practice, and willingness to cooperate with other representative churches. If found doctrinally sound in faith and order, the church shall be accepted

under the watchcare of the Association for a period of one year upon the unanimous recommendation of the Committee. During this period of probation such churches shall be entitled to all rights and privileges except that members may not hold office or vote as messengers.

SECTION 4. The Association shall not maintain fellowship with any church that departs from the traditional accepted tenets of faith of Baptist Churches according to the New Testament. Any church that fails to maintain a spirit of cooperation with the Association or fails to report by the Annual Letter, or fails to be represented at the Annual Meeting, or fails to support worthily the Associational and Denominational mission programs for two consecutive years, or who departs willfully and habitually from the accepted Baptist faith and practice shall be visited by the Moderator and the Membership Committee, or a sub-committee of the Committee, in brotherly love and concern, with the view of restoring such a church to fellowship in the Association. If conditions are not remedied and upon unanimous recommendation by the Committee, fellowship may be withdrawn at any Annual Meeting by a two-thirds vote of the messengers present and voting.

ARTICLE IV - MEETINGS

SECTION 1. The Association shall meet annually on Thursday and Friday after the fourth Sunday in October.

SECTION 2. Special meetings may be called by the Moderator upon written request by any representative group or by the Executive Committee providing two weeks notice is given and adequate reasons are given to affiliated churches. No business shall be considered at such a special meeting except that for which the meeting was expressly called.

SECTION 3. Messengers shall be duly elected by the affiliated churches: only elected messengers are entitled to vote on any matter. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. The names of messengers presented in the minutes shall include only those attending and registering at the Annual Meeting. Alternates shall be so indicated on the registeration cards.

REPORT OF THE ASSOCIATIONAL EXECUTIVE COMMITTEE

JANUARY 14, 1974

The Missions Committee brought recommendations that we employ a summer worker, a committee of three be appointed to study the needs of the Associational Office. Motion passed.

The Trustees recommended that the property donated to the Association, in Craven County, be returned to the donor because of legal problems. Motion passed.

Reports: Sunday School — Every office filled, a leader for each age group went to VBS Clinic and local training sessions were to be held in March. WMU — Annual Associational WMU Meeting on April 16. Brotherhood — Encouraged pastors to promote the Brotherhood work. Treasurer — Gave a good report of a balance of $2300.84. Missionary — Shared news concerning World Missions Conference and stressed the need of Mission Vacation Bible Schools.

MARCH 25, 1974

Moderator named the Committee to study Associational Office needs as follows: Mr. Larry Pate, Mrs. Paul Bruce, and Mr. Roy Clemmons. Missions Committee recommended that the Association purchase a projector screen. Also, that the Missions Committee Chairman and the Finance Chairman look into the possibility of securing a copier and press for Associational Office. Motion passed.

Reports: Sunday School — There were three VBS Clinics in the Association with 140 in attendance. Church Training — "M" Night attendance was 313 with 16 churches represented. WMU — Swansboro church was among 8 churches in the State to receive achievement awards and the Association received highest honor. Missionary — Announced that Miss Gloria Kimball had been secured as summer worker. There were 235 present at the Youth Meeting in New Bern. The World Missions Conference was very good. Suggested that a booth at the Craven County Fair be sponsored by the Association. Motion was made and passed.

JUNE 24, 1974

The Special Committee did not have a complete report and was asked to continue its assignment concerning the purchase of office equipment and office facilities.

Reports were given by different organizations with no recommendations. Missionary — Announced that the WIN Conference is to be set soon in the Association. Our Youth Worker, Miss Gloria Kimball was released from her associational work to work with the First Baptist Church in New Bern. Report of the Associational Youth Evangelistic Meeting indicated that it was a very good series of meetings with 19-20 youths being received into the churches. Mrs. Mary Jane Wright was elected to serve as Clerk of the Association.

SEPTEMBER 30, 1974

Mr. Larry Pate, Chairman of the Special Committee appointed to study the needs of the Associational Office, reported that the Committee had investigated several possibilities. He stated that whether property was bought or whether a place was rented, a large sum of money would be involved. The Committee felt that they should study the situation more thoroughly and give a full report to the Association. The Committee was instructed to continue the study and make a full report to the Association.

Motion was passed that an offset printer be purchased for the Associational Office.

The Missions Committee reported that the Committee had met with representatives from the Colony Mission in New Bern and the Calvary Mission in Beaufort and that the Missions Committee had given their approval that both be constituted into churches.

REPORT OF THE NOMINATING COMMITTEE

Elsewhere in this book of reports you will find the Associational Directory (pages 3-4). This is the slate of officers that the Nominating Committee would like to present to the Association for the year 1974-1975. We have worked very diligently and sought to provide the Association with the best slate of officers possible.

Mr. Roy Clemmons
Chairman

REPORT OF THE ASSOCIATIONAL MISSIONS COMMITTEE

To meet the spiritual needs of the general area of the geographic sector of the Atlantic Baptist Association, the Missions Committee functions in a close relationship with the Director of Missions for the Association. Being responsible to the Association through the quarterly meetings of the Executive Board, the Missions Committee has priority interest in assisting our churches to fulfill their collective roles to extend the Kingdom of God more effectively.

The Missions Committee grapples with the increasing demand of the Association for new mission points to be established which would ultimately become churches. Two groups of fellow Baptists asked for approval to be constituted into churches, and eventual application for membership in the Atlantic Association. These respective groups were approved and constituted into churches, one being in Beaufort and known as the Calvary Baptist Church and the other located in New Bern and known at the Colony Baptist Church.

A further continuing concern which remains unfulfilled is for better suited quarters for the Associational Office and that it be established with new and more adequate office equipment. A Committee is attempting to meet this need as instigated by the Missions Committee.

Many mundane matters require our consideration at each meeting with only reportable achievements being on record as accomplished. To continue the multi-ministries and to begin new work for our Lord, we pass the mantle on to the newly elected committee for the upcoming year.

Respectfully submitted,
Paul Bruce
Chairman

REPORT FROM THE ASSOCIATIONAL PASTOR'S CONFERENCE

Throughout the year Associational Pastors met monthly for mutual encouragement, communication and fellowship. Officers who served through the year were as follows: Paul Bruce, President; Herman Orr, Vice President and Program Chairman; Gilbert Cook, Devotional Chairman; and A. L. Benton, Secretary-Treasurer.

Officers for the year 1974-1975 are listed on page 8 of this book. Anticipated action was that of electing Rev. A. L. Benton Secretary-Treasurer, Emeritus. This action was to be taken up at the next Pastor's Conference. Rev. Benton has served in this position for approximately 15 years.

Respectfully submitted,
Donald Hadley
Secretary

REPORT OF THE ASSOCIATIONAL BROTHERHOOD DIRECTOR

Brotherhood organizations in the Atlantic Association have made great strides in this past year. We still are small in numbers but we are becoming more aware of the need for men to be involved in the education of men and boys in missions and the importance of involvement in mission action.

I, along with the Associational Missionary have assisted several of our churches by going to their church and presenting an informative program of the work of the Brotherhood.

Three Baptist Men and RA Workshops have been held in this Association with workers from the State Convention coming to lead them. A Mission Dialogue and dinner was held in September 1974 at the Cafeteria aboard the Air Station. Mr. Bob Watson of the State Brotherhood Department led in this endeavor. Invited to this were the pastors and key leaders of the churches with approximately 30-35 in attendance.

I attended a Brotherhood and RA Workshop for associational leaders at Camp Caraway. We also attended a Regional Workshop in Greenville.

Several of our churches have had recognition services, outings and special studies. This is very encouraging and we hope there will be more scheduled for this coming year. Many of the churches observed Baptist Men's Day in January with the men of the church being in charge of the morning and/or evening worship service.

We have approximately 9 churches with a Baptist Men's organization. They are as follows:

Beaufort
Cherry Point
National Avenue
New Bern First
Newport
Reece's Chapel
Spring Garden
Tabernacle
Temple

Of the nine churches with a Brotherhood organization, approximately 200 or more men are enrolled.

I appreciate so much the splendid cooperation these groups have given me this year. I hope that the year 1974-1975 will allow us to be more mission minded and that we will see more involvement of our churches in the mission opportunities that are so evident in our association. What a joy it would be for all of our churches to be a part of the Brotherhood Program. Perhaps many of you have participated in the work of the Brotherhood without actually being organized. If at any time I can assist you in setting up a Brotherhood Program or can come to your church and speak to the men, please do not hesitate to call on me.

Respectfully submitted,
Aaron Craig
Associational Brotherhood Director

ASSOCIATIONAL ROYAL AMBASSADOR REPORT

The Royal Ambassadors of the Atlantic Association had one associational wide outing this past year. We held our second annual RA Conclave May 17-18 at the Texas Gulf Recreational Park near Aurora. The program was centered on a track meet with competition between the churches. Twenty-five boys from two of our churches participated in this event. It was a very enriching experience for those in attendance. We were sorry that more of our churches did not participate.

We are planning a track meet this coming year and also a RA Conclave later on in the summer. The theme will be: "HELP OTHERS IN JESUS' NAME.

Many of our churches had outings of their own and special recognition services for the boys. We encourage more of this and also hope that the churches will be more active this coming year in the Associational RA Activities.

November 3-9, 1974 will be Royal Ambassador Week. We hope al of our churches will recognize their boys during this week and also their leaders. There were 180 boys enrolled in the RA Program of our churches in 1973.

I appreciate your concern and support during this past year and look forward to an even better year for 1974-1975.

Please call on me if I can serve you in any way.

Respectfully submitted,
Robert Brinson
Associational RA Director

WMU ANNUAL REPORT

We thank you for letting us serve you this past year. It has been a year of meeting new faces, renewing old acquaintances, and sharing spiritual blessings and experiences.

There has been one Baptist Women, two Baptist Young Women, two Girls in Action, and two Acteen Groups reported added to the churches. There may have been others that were not reported.

There have been two Prayer Retreats for Baptist Women and Baptist Young Women. These were led by Mrs. Dorothy Loftin. One fellowship supper and inspirational meeting for Baptist Young Women, led by Mrs. Beth Wagner. A Mission Fair directed by Mrs. Maxine Maners was held at the National Avenue Baptist Church with girls from all of our churches participating. It was a great success. A tea for Acteens was given by Mrs. Alice Arthur.

A Workshop was held at the Newport Church with the Associational Age-Level Directors leading in their respective conferences.

The Annual Meeting was held April 16, 1974 with the Davis Church as host. Pat Richie from the State Office was the guest speaker.

When we were called upon for help from the churches, we were there and had someone go in our place if we couldn't. It is rewarding to be called upon. We are here to serve you so please ask.

Respectfully submitted,
Mrs. W. D. Lee, Sr.
Associational WMU Director

REPORT OF THE ORDINATION COMMITTEE

The Ordination Council met in March 1974 for the purpose of examining Brothers Sanford W. Catlett and Willis Walker for ordination to the Gospel Ministry. A meeting of the Ordination Council was again called on September 17, 1974 with Michael Oliver as a candidate for the Gospel Ministry. Each of the three men upon questioning, gave satisfactory testimony as to their experience of salvation and their call to the Gospel Ministry.

In addition, they were questioned concerning the roll of authority in the church, church polity, church doctrine, their plans for preparation for their work in the Lord's service, and whether or not they would lead their churches to be cooperating Southern Baptist Churches cooperating through the Association, State Baptist Convention and the Southern Baptist Convention. Upon satisfactory responses to all questions, recommendations were made that First Baptist in New Bern ordain Brother Catlett upon request from Aurora Beach Mission; that Swansboro Baptist Church ordain Brother Walker upon request from Sealevel Baptist Church and that Tabernacle Baptist Church ordain Brother Oliver upon request from Oriental Baptist Church.

The three churches have ordained these men and they are now serving as pastors in our Association.

ASSOCIATIONAL EVANGELISM REPORT FOR 1973-1974

Let the church have knowledge and all the graces of the mind, but never let her lose the inflammable touch. God forgive ignorance but never lukewarmness. This is the time for the church to evangelize or it will fossilize.

There has been a good emphasis in Evangelism this past year. An Associational Youth Revival was held in May in three areas: Morehead City, Newport and New Bern. A one night rally was held in Marshallberg and many decisions were registered. Curtis French of Dallas, Texas, did the

singing and preaching. There were 11 decisions for baptism, four by letter, and one for Christian service and many re-commitments of life.

In September, a WIN Conference was held in two areas with an enrollment of two hundred. The New Bern School held at Tabernacle Church was led by Rev. Floyd Rhyne and Rev. M. O. Sears conducted the school in Newport. The attendance was outstanding in both schools and six professions of faith were reported.

Many feel that the Lay Evangelism School contributed greatly to their spiritual growth and will have far reaching results for the future.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro Coliseum. Richard Hogue, Evangelist, Houston, Texas, was the guest speaker, and Darcy and Sharon Hodges were the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

The 29th Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation and world.

God has been so good to bless His churches with conversion throughout the year. In most of our association there has been an increase in baptisms.

Let us not forget, our Christian faith was born in a blood red earnestness and a burning enthusiasm. The speed of our onward march is paced by the beat of our burning heart.

Respectfully submitted,
Ronald Ryan
Associational Chairman, Evangelism

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Sunday School Division of our Association has had a most rewarding year.

Our VBS Clinic at Wingate College was attended by a full slate of officers for every age group in our Sunday School and VBS Program. This is the first time we have had a complete group of workers in many years.

We conducted three VBS Clinics in the Association with the attendance the largest ever

We engaged in a Sunday School Teacher Training Clinic in March at the Cherry Point Baptist Church. This was an Associational Clinic and the

response was very good with many of those in attendance asking that we have more of this type clinics.

Several of the age level workers led in conferences for individual churches.

We continue to train ourselves at every available opportunity so that we may serve our Association better and do a more acceptable work for our Lord.

Our concept of a good Sunday School still involves the belief of years past which are:

1. Church relationship
2. Enlargement
3. Grading
4. Baptist literature
5. Bibles
6. Preaching attendance
7. Evangelism
8. Meetings, equipment, and records
9. Training
10. Stewardship and Missions

When we put these principles to work, we truly grow as a Sunday School. Officers for the coming year are:

Sunday School Director — Mrs. Nell Bruce
Preschool — Rev. Elwin Melton
Younger Children (grades 1 and 2) — Mr. Richard Spera
Middle Children (grades 3 and 4) — Rev. Marvin Hays
Older Children (grades 5 and 6) — Mrs. Fletcher Wright
Younger Youth (grades 7-9) — Mrs. Alice Arthur
Older Youth (grades 10-12) — Rev. Ronald Ryan
Adults — Mrs. Paul Bruce
General Officers — Rev. H. A. Privette

Our goal for the coming year is to plan more training sessions for the churches in our Association. Thus, making possible more stable Sunday School work and effective training and teaching.

Respectfully submitted,
Mrs. Nell Bruce
Associational Sunday School Director

ASSOCIATIONAL CHURCH TRAINING REPORT

"M" Night was held at the First Baptist Church of Havelock on November 26th. There were 313 of our fine people registered in attendance. Youth choirs from Temple, Tabernacle and First Baptist, Beaufort, rendered outstanding special music. Dr. Donald Hadley of the host church brought an inspiring message. The Peletier Church won the banner for the highest percentage of members present. Temple Church won the banner for having the highest attendance and Miss Kay Latham of the Temple Church was crowned with a beautiful rhinestone tiara.

The year 1973-1974 has been a good year for church training in that some new church training programs were started. However, these were not even near enough training conducted in our Association. There is a great need for more training in all of our churches both in new programs and expanded old programs. We also need to promote family and individual daily Bible reading and prayer in the home.

"M" Night for 1974 is planned for November 25, at the First Baptist Church, Havelock and the theme will be "CHURCH: THE SUNDAY NIGHT PLACE FOR TRAINING . . . FAMILY STYLE."

A workshop for Church Training leaders, directors, and all teachers is planned for January 30 and 31. This will be conducted by highly skilled state workers and should be of great value to those who attend and to their churches.

Respectfully submitted,
James French
Associational Director

FINANCE COMMITTEE REPORT

The Finance Committee would like to present the proposed budget found on page 11 of this book for your approval. There are a couple of changes that we would like for you to make on your copy: Under item C — Hospital Insurance — change the figures to $596.60. This will change the sub total to $16,351.60. Under item E — Rent — Change the figure to $900.00. This will change the sub total to $1,945.00. These changes will make the Grand Total be $24,471.60.

The reason for the changes in these figures is that the insurance and the rent for the associational office went up. A motion was made and passed in the Executive Committee Meeting of September 24, 1974 that the budget be increased to take care of these needs and that it be made retroactive to whatever date the changes became effective.

Respectfully submitted,
W. K. Russell
Chairman

ASSOCIATIONAL SEMINARY EXTENSION REPRESENTATIVE REPORT

Seminary Extension offers a wide and varied program of Christian study. The Basic Curriculum is for persons who prefer easy-to-read study materials. The College-Level Curriculum is for persons who prefer to study on a level challenging to most people who have had any high school or college training, including seminary graduates desiring refresher courses. The Continuing Education Curriculum is for persons who prefer advanced study with special appeal to seminary graduates.

These are available either through group study in Seminary Extension Centers or through personal study in Correspondence Courses in the home. The cost for either is reasonable.

A person may work toward one of three specialized certificates or an advanced certificate. The specialized certificates are: Pastoral Training; Religious Education; or Christian Life Development. The specialized certificates requires twelve additional courses.

This year the Atlantic Association had one Seminary Extension Course taught on the book of Colossians in connection with the January Bible Study

REPORT OF THE DIRECTOR OF MISSIONS

The year 1974 has been a good one. We can never be satisfied but the things we have seen and heard have brought much satisfaction.

The churches seem to be beginning to have a greater sense of mission consciousness than ever before. More and more churches are beginning to go outside their buildings and are becoming involved in mission activity and more and more individuals are being involved in missions. This has not been easy to bring about but we can thank God that it is happening. Churches are also beginning to contribute more of their collection plate dollars to missions. Cooperative Program gifts are continually increasing and our associational treasury stands at the highest of any period in the last years; in fact, every church but two in the association contributed to the associational fund last year and one of these is a church that has almost ceased to exist.

Your Director of Missions has had one of the busiest years and, perhaps, one of the most fruitful in his ministry in the Atlantic Association. Our opportunities to be of service to the churches in so very many ways has been nothing short of outstanding. I have helped several churches in ordination of deacons, ordination of two ministers, training events, worked with several pulpit committees and assisted in obtaining staff members for others. Two churches have been organized and are functioning well and showing great promise. It has been my privilege to assist many pastors in many different ways that have been very helpful and fruitful.

One of the outstanding signs of progress is the attitude churches are beginning to take toward in-service training for church leadership and for the membership. Several churches have had individual training projects and several local area training workshops have been conducted with wonderful results. Some churches are beginning to institute continuing in-service training within the local church. The associational training workshops have been very, very well attended and the attitude of those attending has been one of eagerness to learn and a desire to serve the Lord. People are really finding a satisfaction in doing a job well. They are beginning to ask for more and more leadership workshops. Two are planned for the coming year: one in

January for the Training Union, and a Director-led Sunday School Workshop for the fall.

One of the most important things that we would like to see take place is a greater degree of fellowship among our churches. Fellowship is the one single most important thing in the local church; without it, though we might have a perfect organization, adequate building, and sufficient materials to work with, we really have nothing. Paul had something to say about this in I Corinthians 13. "Although I . . . and have not love, I am as sounding brass and a tinkling cymbal." In other words, "I am nothing." While this is certainly true of a local church, it is even just as true or more so in the local association. We are seriously handicapped by the tremendous distances between our churches but we need to cultivate and maintain a spiritual closeness and a higher degree of unity and concern for each other for our own good and the progress of the Kingdom of God.

REPORT OF THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA

The officers, trustees, and the Executive Director of the Christian Action League take this opportunity to express to the members of this Association, convened in annual session, their appreciation for the wonderful support which you gave in the liquor campaign last fall. We are still rejoicing in the

wonderful victory that God gave to us. To receive over 70% of the vote in our favor and to carry 97 counties in the state is remarkable, indeed. It is a tribute to the wonderful spirit of cooperation on the part of people like you across the state.

Recently one of the organizations that conducts surveys across the state of North Carolina included a question about the visibility which the League enjoyed in North Carolina. It was a three part question, but we include here only the first part since the latter two are not relevant to present circumsances. The question was included with ten other questions and read as follows:

DO YOU KNOW WHAT THE CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA IS?

The results were:

Yes, 80.6% No, 18.6% No answer, 8%

Thus it is revealed that four out of five persons across North Carolina know what the Christian Action League is. The polling company had the following comment: . . . "Pretty good recognition for an organization funded mainly by . . . religious groups."

We are looking to the future. At the annual meeting in April, seven Task Forces were appointed, as follows:

TASK FORCE ON PRISON REFORM
TASK FORCE ON HIGHWAY SAFETY
TASK FORCE ON ALCOHOL DRUG CONTROL LAWS
TASK FORCE ON OBBSECENITY AND PORNOGRAPHY
TASK FORCE ON TAX REFORM
TASK FORCE ON CAPITAL PUNISHMENT
TASK FORCE ON BANNING ADVERTISING OF ALCOHOL

Some of these groups have already met and others are meeting in the near future. Work is going on in these areas. We need your continued prayerful and financial support.

STEWARDSHIP-COOPERATIVE PROGRAM REPORT

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism, with all of the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Cooperative Program you are helping the widow, the

homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1, 236 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Two of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1973. These were: Flat River and the Tar River.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program *each month* to Baptist State Convention of North Carolina, Post Office Box 26508, Raleigh, North Carolina 27611?
4. Will you help us have a good *stewardship workshop* in your association next spring or summer, so we can: (1) Study recommandations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in *your goals* for associational and Cooperative Program giving?

1974 BIBLICAL RECORDER REPORT TO THE ASSOCIATION

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year — and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper

strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history — more than 111,000 — thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

ANNUAL ASSOCIATIONAL REPORT FROM CITY AND METROPOLITAN MISSIONS DEPARTMENT

by

Ernest C. Upchurch, Director
Raleigh, North Carolina

The Department serves both rural and urban areas of our state.

Christian Social Missions is one major phase of the work. This ministry consists of chuch-community weekday missions, youth and family services, literacy missions, migrant missions and disaster relief. There are 16 missionaries jointly-employed by the State Convention, the Home Mission Board and the association in this phase of our Lord's work. In addition to these missionaries there were several jointly-employed summer student workers. This ministry exists for the purpose of bring men to God through Jesus Christ as Saviour.

Interfaith witnessing is another phase of the Department's outreach ministry. This ministry demands skilled workmen with an intelligent and

warm approach in Christian witnessing. The Department seeks to enlist and train volunteers to engage in this work.

Church extension through pastoral and lot aid assistance is a third phase of the Department's work. This is one of the oldest and continuing ministries of State Missions for urban areas.

The City and Metropolitan Missions Department is an integral part of the overall program of State Missions and is directly funded from the annual State Mission Offering. We solicit your continued prayers and support for this work. If the Department can help your church or association, please let us know.

NOTE: The City and Metropolitan Missions Department has been very actively involved in the mission work of the Atlantic Association. Bibles and scripture portions were given to the Association for use with our Migrant Ministry. The Department also made it possible for Miss Gloria Kimball to come to our Association as a summer worker, as well as others that have worked with us in past years.

CHRISTIAN HIGHER EDUCATION REPORT

Churches and Colleges are Partners

While churches and colleges are not identical in their purposes, Baptist Churches and Baptist colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

Cooperative Program

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately $2,350,000 will undergird the work of North Carolina Baptist colleges. At a very crucial and difficult time, these funds make a tremendous difference in the quality of programs offered by our schools.

Baptist Students

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

Change in Wingate College Leadership

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky assumed the presidency of the seventy-eight year old institu-

tion. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

Council on Christian Higher Education

Our colleges — Campbell, Chowan, Gardner-Webb, Marh Hill, Meredith, Wake Forest and Wingate — work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

The Southern Baptist Convention Annuity Board paid out a record nearly $16 million in retirement and protection benefits during 1973. This means that in the Board's history, it has now paid out over $100 million in retirement and protection benefits.

More than 9,000 retired pastors and other church-related vocational workers or their widows receive the benefits.

In addition, the Annuity Board set another record. This one was for funds held in trust for those participating in retirement and protection plans while still in active service. About 38,000 pastors, other church staff and denominational agency employes are included.

Funds held in trust exceeded $350 million for the first time, President Darold H. Morgan reported.

The Board issued another 13th Check, or extra benefit, for annuitants shortly before Christmas 1973. It amounted to two extra months' worth of benefits and totaled $1,187,379. The 13th Check helps annuitants, whose benefits are fixed, to meet the rising cost of living. Payment of the 13th Check is over and above the 12 contracted monthly benefits and depends from year to year on investment income.

Additional information on the Annuity Board may be secured from Development Office, SBC Annuity Board, 511 North Akard Building, Dallas, Texas 75201.

COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

Baptist State Convention of North Carolina

The basic work of the Christian Life Council continues to be that of a resource, research and referral agency for North Carolina Baptists. The Council responds to daily inquiries from churches and individuals seeking to discover Christian insights for everyday living.

The Council conducted a workshop last March entitled "Helping Churches Help Families." Over 1200 attended part or all of that workshop.

The Council distributes free upon request a series of 21 tracts on the family to North Carolina Baptist Churches.

The Council on Christian Life and Public Affairs consists of 16 persons who give guidance to the full-time director, Dr. Charles V. Petty.

REPORT ON
NORTH CAROLINA BAPTIST HOMES FOR THF AGING

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, received on the 3rd Sunday of February each year; (2) The Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albermarle, Hamilton, and Yanceyville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the georgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-Wide fund-raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

BAPTIST CHILDREN'S HOME REPORT

EASTERN AREA

Child care in Eastern North Carolina can well be characterized as "A Shared Christian Adventure." We are sincerely trying to practice the theme of our 1974 Alumni Homecoming at Kennedy Home, which is "Doing the Will of God."

You will be glad to know that our campuses are operating at capacity; that our foster homes are full; and that our children are making good use of their opportunities. A new cottage for twelve children and two staff residences will be completed by the end of the year.

Because more and more troubled teenagers are being referred to us for care, we have started a new program on the Kennedy Home campus. Limited to only eight boys, it is designed to help them work through some of their deepest troubles by using the principles of group therapy.

A special campaign is in progress to increase the services available at Odum Home. Support for a recreation building and two family-style cottages is being sought in a nine county area surrounding Pembroke. A year ago our first campus intergration occurred, with the placement of a Black child at Odum Home. Our success in involving and ministering to Black children has continued at Kennedy Home in 1974. The program of therapy at the McNeill Cottage, located at Indian Beach, continues to be one of the meaningful benefits which all of our children in group care homes enjoy.

We desperately need your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose personal problems are most intense.

Respectfully submitted,
Mrs. George McNeill

AMERICAN BIBLE SOCIETY REPORT

The insert on the American Bible Society is the report for this year. I would like to add one note. The American Bible Society sent many scripture portions to the Associational Missionary for use at the County Fair where we had a booth. They also made it possible for us to purchase Bibles at a very low cost to use with our ministry to the Migrants and other mission points.

Respectfully submitted,

BAPTIST HOSPITAL REPORT

In spite of the growth in sixe and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding." Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the Hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computors, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian Faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satelite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offerings amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers and your financial support.

On the following page is the poem that was read by Mrs. Dixon. She wrote this poem and WMU was asked to please print this with their minutes.

There is something sad about the years passing one by one
It seems I must hasten to complete each task begun
For snow has left its mark upon my brow which sun cannot erase,
And time and toil have left these lines upon my face.

But there has been lots of happiness
In these many days of mine.
Sometimes the days were dark, and the sun refused to shine.
I have heard the roar of battle, across the ocean foam
I've known the pain of parting, the joy of coming home.

Still there has been lots of sunshine,
Just to make the flowers bloom.
And a thousand birds singing in the glory of noon.
But still, there is a lot of sadness in the passing of the days one by one.
They seem to grow more precious, when day is nearly done.

ASSOCIATIONAL HISTORIAN'S REPORT

History is made every second of every day that we live and our time is like money; once it is spent, we can never reclaim it again. The year 1973-1974 for the Atlantic Baptist Association was a year of many exciting events and activities. We hope that our record portrays a year of fruitfulness in that the love of Jesus Christ has been spread to others through our words and our actions.

As your Historian I have had a very busy year. Through the help of Dr. Hargus Taylor of Chowan College, we now have copies of the minutes of the WMU Annual Meetings beginning with 1887-1974.

We have been able to obtain pictures of many of our churches and the Associational Moderators in years past. Some of these are one of a kind pictures.

A scrapbook has been compiled that carries clippings from local newspapers and the Biblical Recorder. Some of the items date back twenty years or more.

Churches have responded in sending me a copy of their history and we now have approximately twenty histories of our churches on file. To these have been added newsletters, bulletins and other special programs.

Two new churches were organized this year and we have been very fortunate to start a history of these and keep them up to date. One thing that has been added to our historical collection is tapes and slides. We have a tape of the organizational meeting of the Calvary Baptist Church in Beaufort. We hope to add other meetings as time goes by.

I would urge each church to gather all important papers and information concerning the church. Contact the Baptist Historical Commission of North Carolina. They will microfilm your church records free of charge. Contact:

A HISTORY OF TABERNACLE BAPTIST CHURCH

Tabernacle Baptist Church was organized on Sunday afternoon, May 5, 1895, by a group of people from the First Baptist Church. The First Baptist Church had been organized approximately eighty-six years earlier on May 11, 1809.

At a date earlier than May 5, 1895, this fine group of Christian men and women realized the need for a Sunday School ministry to the people in the western part of New Bern, and so in early 1893 a mission Sunday School was begun in the rear of a store building on the corner of Pollock and Norwood Streets.

Mr. Daniel G. Smaw, a member of First Baptist Church, is credited with being the pioneer in the organizing of the mission school and of serving as its first superintendent. Others who worked with him were Miss Fanny Holland, Mr. H. B. Duffy, Mr. Thomas J. Mitchell, and Mr. J. B. Holland.

The newly-organized church was first known as Second Baptist Church. Records indicate that the following fourteen people became charter members on that day, having requested their letters from the mother church: Mr. H. B. Duffy, Mr. and Mrs. C. C. Jordan, Mr. F. G. Mitchell, Mr. and Mrs. Thomas J. Mitchell, Mr. J. A. Patterson, Mr. D. G. Smaw, Mr. H. B. Smith, and Mr. and Mrs. D. G. Whitehurst, plus a Mr. and Mrs. Whitty, and a Mrs. Dufly. Rev. Charles Spurgeon Burgess became the first pastor.

The church grew rapidly and soon was forced to find larger quarters. Hence a lot was leased at 52 Bern Street, between Pollock and Broad. A new building 40 feet long by 22 feet wide was constructed at a cost of $600.00. The benches were "back-breakers".

The name of the church later and built then on the present site was changed to Tabernacle, partly because the new structure "looked like a tabernacle" and partly because of the influence of Tabernacle Baptist Church in Raleigh, North Carolina. Admission to the Atlantic Baptist Association came in October 1896. At this time the church membership was 49 and the Sunday School enrolment was 148. Total expenditures for the year amounted to $1,228.94, much of which went for charity. On November 27, 1931, this structure burned; a total loss. The next few years were a struggle for the small group, but over a period of years a three story education building, which also served as a sanctuary, was completed, and even now is referred to as the "old" education building. The present sanctuary, facing Broad Street, was completed in 1943. The Hodges Memorial Building, a three-story education unit, was completed in 1958.

With the need for parking space becoming crucial, the Church purchased properties beside and back of the Sunday School annex for this purpose, then on September 4, 1968, at a cost of $60,000.00, purchased the Swert property facing Broad Street, forming one large parking lot.

The Church realized the need for a better parsonage, and on December 28, 1961, purchased the J. B. Askew home, 1709 Tyron Road, at an approximate cost of $40,000.00. The old parsonage on National Avenue was traded to Mr. Askew as a part of the purchase price of the present parsonage.

In 1966 the space between the old Sunday School Building and the Hodges Memorial Building was closed in with a new kitchen being built and equipped; new church office and pastor's study; and three additional Sunday School rooms added at this time, at an approximate cost of $31,000.00.

Starting in the latter part of 1970 a program of renovating, redecorating, and updating has been in progress through all the church properties. Many things have been accomplished during this period, including paving of the parking lot, new boilers for church and parsonage, revamping of old educational building, etc.

In 1972 a long-time dreaf of Tabernacle was realized with the acquisition of a steeple, given in memory of Mr. Joseph S. Miller by his widow Mrs.

Joseph S. Miller, and his son and daughter-in-law, Mr. and Mrs. J. Macon Miller. Also in 1972 Mrs. John D. Dixon had a new bulletin board erected in front of the sanctuary in memory of her husband, Mr. John D. Dixon.

During this year of 1974, the church voted to purchase an activity bus for use in church activities and fellowship. Also, the Pastorium has been completely redecorated, including new draperies and carpeting.

At this writing, and made possible by monies given by Mr. Ben O. Jones, work is progressing toward the completion of the relocation of the choir loft, remodeling the front of the sanctuary, and refinishing the church pews.

Presently the membership of Tabernacle stands at 976, with 735 of that number being resident members, and 241 non-resident members. Present Sunday School enrolment is 460. Total receipts for the 1973-74 associational year amounted to $100,198.00, with $16,437.00 designated for missions.

During the seventy-nine years since her organization, Tabernacle has been blessed in having many fine, dedicated, consecrated undershepherds at her helm. These include: Rev. J. L. Hodges, 1921-1952; Rev. Alvin Pitt, 1953-1960; Rev. John Worth Long, 1961-1970; and the present pastor, Rev. George A. Johnson, Jr., who began his tenure of service on October 1, 1970.

REPORT OF THE ORDINATION COMMITTEE

Our committee met twice during the year to examine Brother Larry Parker on February 24th and Brother Louie Carlton on March 3rd for the Gospel Ministry.

Each man was questioned thoroughly, by the committee members present, concerning their salvation experience, their call, the Word of God, doctrines, church polity, etc. Both are continuing their education in preparation.

After the committee was satisfied with the response of both men they recommended that they be ordained.

The First Baptist Church, Havelock, at the request of Huggins Memorial Baptist Mission, ordained Brother Parker and he continues to serve the Mission as pastor.

The Cove City Baptist Church ordained Brother Carlton who continues to serve that church as pastor.

Thank the Lord for these men and we pray God's richest blessings upon them and their churches.

Respectfully submitted,
James R. Scales
Chairman

STATE MISSIONS IN NORTH CAROLINA

Southern Baptists' compassion for world missions must also include the real needs of our own counties and state. State and associational missions are indeed part of the world mission imperative. Without neglecting distant lands, we must continue to build a strong state missions program throughout North Carolina.

State missions can be divided into two major categories: (1) STRENGTHENING ministries and (2) LENGTHENING ministries.

Strengthening ministries help develop local church organizations such as Sunday School, WMU, Church Training, Brotherhood, etc. These programs enable local churches to realize their own mission potential. Workshops, seminars, and conferences are conducted throughout the year for the development of local church programs.

The second type of state missions are those ministries that lengthen the local church's witness. These are cooperative efforts requiring the resources of more than one church or association. Examples of these programs are resort missions, deaf ministries, chaplaincy ministries, city and metropolitan missions, church loans and lot aid, seminary extension, migrant missions, etc. Many of these ministries are co-sponsored by district associations and the Southern Baptist Home Mission Board.

All state mission ministries are in some way cooperative efforts of local churches and associations. Church and associational development, in fact, is one of the primary goals of state missions in North Carolina. The purpose is to build strong "mission stations" across the state as a foundation for the overall support of world missions, Christian education, and benevolences.

State missions in North Carolina is supported by the Cooperative Program and the annual State Missions Offering in September.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. Today it is recognized as one of the outstanding ministries of its kind in the nation.

During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home.

At Kennedy Home during the past year, an exciting development has occurred in a special group-therapy program for a small number of boys. The boys who have completed this program have shown encouraging progress in learning to cope with their problems, so much so that there is a strong request from members of our staff to begin a similar program for girls in the fall of this year.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

THE CHRISTIAN ACTION LEAGUE

The Director of the Christian Action League, D. P. McFarland, and our new President, Bill Wallace, wish to express deepest appreciation to the many friends and supporters of the work of the League in the ATLANTIC ASSOCIATION. Our program depends upon you for its success.

The General Assembly has been in session this year. A bill was introduced by Representative Dan Lilley of Kinston to close every beer joint in North Carolina at midnight. Under the present law these places can stay open until 2:30 in the morning from the last Sunday in April through the last Sunday in October. The bill failed to receive enough support in the House ABC Committee to pass.

A bill was introduced by Representative Jimmy Love of Sanford to strengthen the state-wide statute regulating the flow of pornography. This proposed change would have given the District Solicitor descretionary power in the matter of the adversary hearing, and would have defined hard-core pornography in the Public Nuisance Section of the Law. This bill failed to get the nod of the House Judiciary One Committee.

The League will be promoting Alcoholism Awareness Sunday in January and Highway Safety Sunday in August. Your support of these two efforts will help to save the lives of multitudes of innocent people in North Carolina.

FRUITLAND BAPTIST BIBLE INSTITUTE

Applications come in at such a rate that we are usually filled 2 quarters ahead. Since the school is operated by the N. C. Baptist State Convention, preference is given applicants from North Carolina by holding the last ten spaces in each quarter for them.

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

The SBC Annuity Board serves as a lifeline of support for the 10,034 retired pastors and other church-related workers or their widows.

During 1975, the Board paid about $15½ million in retirement and other protection benefits to these annuitants. In the Board's 57-year history, it has paid a total of over 125 million dollars in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees—which will be converted into annuity benefits when they retire.

In December, 1974, the Board issued a 13th Check to annuitants. It amounted to more than $675,000 and was equal to one month's benefits. It is called the 13th

Check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

In North Carolina 2,134 churches and associations and 2,616 staff members are currently participating in the Southern Baptist Protection Program.

THE DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, mission opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of witnessing.

STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program at a time when many others are having to reduce their outreach.

The sun never sets on your offering through the Cooperative Program, and it goes to help evangelize, to teach, to heal, as well as preach the Good News of God around the world. Consider how your gifts are used in God's service.More than 5,000 missionaries at home and in over 80 nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and to do many other tasks. They have gone out from our churches to serve God as he directs them. Moreover, the aged, the sick, the widows, and homeless children have been helped by your gifts.

Last year, 1,026 churches increased their gifts through the Cooperative Program by 15 percent or more, and three associations in our state had 100 percent of their churches giving through the Cooperative Program.

To celebrate the 50th Anniversary of the Cooperative Program let us commit ourselves to do four things:

1. Each church increase its gifts to the Cooperative Program by 15% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.

NORTH CAROLINA BAPTIST HOSPITAL

There have been many significant developments, in several areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already providing beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

Despite the continued rise in costs for services and materials, the hospital has been able to operate in the black. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering.

The Department of Pastoral Care has opened a counseling center in Raleigh. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

BIBLICAL RECORDER REPORT TO THE ASSOCIATION

Baptist state papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention. It was revealed that they had played a tremendous part in the growth of our denomination. All the 33 editors of state papers were introduced and a comparison of circulation of each in 1975 was made with that of 1925 when the Cooperative Program was born. Many were not in existence then.

In giving a special committee report on state papers, H. Franklin Paschall, Nashville, Tennessee, reported that present circulation is one and three-fourths million and recommended that the convention re-affirm its goal of getting a state paper into 2 million Baptist homes by 1980. The Biblical Recorder is one of those 33 state papers and one of the oldest, and we hope, one of the best. Circulation of the Recorder remains above 112,000.

Already more than 1,000 churches in N. C. are doing this. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church. The Recorder continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the

aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

We can minister in our North Carolina Baptist Homes to only 230 persons at any given time.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care! Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in the Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lively facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

REPORT ON SOUTHERN BAPTIST RESETTLEMENT OF INDOCHINESE REFUGEES

Irvin Dawson
Office of Immigrantion & Refugee Service/HMB

Southern Baptist churches along with other Christian groups in the United States were confronted during the latter days of April with an unparalleled opportunity and corresponding responsibility when the U. S. Government evacuated over 130,000 Indochinese refugees and placed them in several refugee camps awaiting sponsorship by concerned U. S. citizens.

The Foreign Mission Board immediately assigned missionaries who had formerly served in Vietnam to minister to refugees in the camps. The Home Mission Board's Department of Language Missions through its Office of Immigration and Refugee Service immediately set up a process for enlisting sponsoring churches and matching them with refugee families. Local pastors, directors of associational missions, HMB missionaries from the Language Missions Department and the Christian

Social Ministries Department all joined in the effort to assist in the massive project.

The first phase was the ministry to the refugees within the camps. Southern Baptist personnel provided opportunity for worship in the Vietnamese language, assisted in English language classes, helped care for the younger children and provided counsel to these newest immigrants.

Phase two was the sponsoring out of the refugees to committed churches or families endorsed by churches. This involved the processing by the U. S. Government through security checks, medical clearance, social security numbering, and the selection of one of the voluntary agencies for sponsor assignment. The Office of Immigration and Refugee Service in Atlanta and Baptist workers at the various camps secured the names of sponsors and followed through on the process—from initial contact by the refugees to his arrival at his new home. As of the early part of September Southern Baptist churches had sponsored over 400 units and approximately 2,000 refugees.

The third phase of the refugee program is the post resettlement ministry. A former missionary to Vietnam, Mr. Lewis Myers, has been assigned by the Foreign Mission Board to the Department of Language Missions, Home Mission Board, to serve as consultant on Vietnamese refugees. Large concentrations of the refugees are living in the cities of the warmer climates.

Southern Baptists have responded well to the need of these people who have had to flee their own country. The thousands still in the camps are those for whom it is more difficult to find sponsors. These include the larger families of six or more and a number of simple men.

Perhaps these are the ones for whom we should have greater compassion. Sponsorship involves providing for the refugees until they can take care of themselves. It necessitates the provision of housing, food, clothing, normal medical expenses, and assistance in finding employment. It may also involve helping them to learn English, how to shop in American stores, understanding the law, learning to drive and other activities that many of us take for granted. It also provides an opportunity for Christian witness.

If there are churches in your area that are interested in sponsoring a refugee family, they may contact the Office of Immigration and Refugee Service at the Home Mission Board in Atlanta or call directly to one of the remaining refugee camps—Fort Chaffee, Arkansas; Camp Pendleton, California; and Indiantown Gap, Pennsylvania.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

Chartered in 1919 by the Baptist State Convention of N. C., the North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts. During the past 2 years, $330,070.41 has been given to the Foundation in the way of annunity trusts. In this type of trust, the donors receive the right to the income from the investments for their lifetime and then the income will be paid to the Baptist cause specified in the original trust agreement. The laws of our land provide to the donor certain tax advantages for the gift portion of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation.

New gifts to be held in trust by the N. C. Baptist amounted to $635,079.57 during 1974-75 fiscal year. Added to the market value of assets held from previous years brings the total value to $2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to $76,257.82 in the past 12 months.

For services offered contact Mr. Edwin Coates, Executive Secretary, N. C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N. C. 27611.

CHRISTIAN HIGHER EDUCATION

Baptist colleges in North Carolina see themselves as active participants in the Christian mission to share the Gospel of Jesus Christ with all people everywhere.

In April of 1975, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. The Southern Baptist Seminaries listed an enrollment of 303 graduates of North Carolina Baptist colleges in the spring of 1975. The Foreign Mission Board has under appointment 152 of our graduates at present, more than 6% of the total number of current missionary personnel. In addition, Baptist colleges trained persons serve in strategic posts with the Home Mission Board, Baptist state conventions and associational missions throughout the Southern Baptist Convention. Baptist college students receive excellent experience and training for church and missionary service through Baptist Youth Corps. Approximately 100 Baptist college students were assigned to churches for the summer of 1975. The colleges furnish one-half of the Youth Corps worker's salary, and thus enjoy a vital partnership with churches and students in summer mission work.

With the exception of what students pay, the Cooperative Program continues to be the largest single source of annual income for our colleges. During 1975, the anticipated Cooperative Program budget for the colleges will provide: Campbell College, $416,066; Chowan College, $263,333; Gardner-Webb College, $329,166; Mars Hill College, $360,776; Meredith College, $360,776; Wake Forest University, $639,900; and Wingate College, $263,333. It is accurate to say that the ministry of North Carolina Baptist Colleges, as we know it today, is the direct result of Cooperative Program support.

Another way the churches help to relieve the college' financial burden is through the annual offering on Father's Day. Designated for student aid, this offering gives much-needed assistance to many students from Baptist churches, making an education on a Christian college campus possible.

North Carolina Baptist colleges are committed to Christian values, and to an active partnership with their fellow Baptists in evangelism, missions, education and social concern.

Your Baptist colleges sincerely solicit the supportive prayers of North Carolina Baptist churches, that we will be aware of and receptive to Divine guidance in performing the work which we have been given to do.

THE AMERICAN BIBLE SOCIETY

THE CHALLENGE

The world's population reached an estimated total of four billion people in 1974—most of them without ready access to the Word of God. These people

constitute the challenge confronting the churches, dedicated to the proclaiming of the Gospel, and the Bible Societies, dedicated to the translation, publication and distribution of God's Word.

The publication of the Word of God requires technical skill, scholarly expertise, and selfless devotion to the communication of the sacred text. The Bible Societies of the world have assumed this task, providing Scriptures in whatever languages, formats and varieties are required.

GOOD NEWS FOR NEW READERS

The single most ambitious program the Bible Societies have ever undertaken, "Good News for New Readers" was launched in September 1973 to provide special Scripture Literacy Selections on graded reading levels, for people just learning how to read. To date this program has already reached people in 70 countries. Scripture Literacy Selections on the two most elementary levels have been produced in more than 100 languages.

SPECIAL SCRIPTURES FOR THE SOUTHERN BAPTIST CONVENTION

As a primary supplier of Scriptures, the American Bible Society has for many years maintained a close and continuing relationship with the Southern Baptists and their state and local organizations. In 1974, the Bible Society continued to fulfill Southern Baptist Scriptural needs with the production of 12 special Scripture editions, totaling over 1,105,000 copies.

SCRIPTURE DISTRIBUTION

During 1974, 252,956,174 Scriptures were distributed throughout the world by the United Bible Societies. Of these, there were 87,102,185 distributed in the United States.

"Good News For Modern Man," the American Bible Society's New Testament in Today's English Version reached a total circulation of 47,000,000 copies by the end of 1974. An illustrated edition of "Good News for Modern Man" was published in June with more than 200 full-color photographs of the Holy Land. The complete Bible in Today's English Version is scheduled for publication in 1976.

FINANCIAL SUPPORT

The American Bible Society gives special thanks to the Southern Baptist Convention for its close and continuing cooperation with the ABS in supporting the Bible cause. The challenge of hundreds of millions of people hungry for God's Word confronts the SBC and the ABS with unprecedented responsibilities and opportunities. Working together, we can be faithful to the high calling to which we are committed.

1975 EVANGELISM REPORT

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3½ years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference in Greensboro February 3-5, 1975. Over 2,400 pastors

and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adult leaders will attend the 5th Statewide Youth Evangelism Night—August 15—at the Greensboro Coliseum.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

The ATLANTIC ASSOCIATION will conduct Simultaneous Revivals April 25—May 2, 1976. At this printing we have 13 churches that have made a commitment.

Respectfully submitted,
William Jones,
Chairman.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

Although I assumed the role of Sunday School Director towards the latter part of this year, our efforts have been most rewarding.

Numbers of Clinics have been held in various churches. Vacation Bible Schools were held with several mission efforts gaining great success. Harkers Island conducted their own school for the first time. It is understood that this is the first year they have had a pastor at the same time a school was planned. Members of the New Bern First Church assisted in an advisory role.

The Enlargement Campaign was well-received and all the churches have taken great strides on their respective findings. Trenton church asked for a clinic prior to the departure of their pastor, Bill Davis.

An adult and general officer leadership conference was conducted by our state convention staff at Caraway, October 3 and 4. Several churches have taken part in this.

November 17, 1975 there will be a simultaneous Sunday School Leadership Conference conducted in Morehead City First and New Bern First. This conference will present the new "Working With" books.

Some reminders for the year are: Five Fabulous Sundays in February—designed for high attendance again. America '76 diplomas for those churches creating a new class or classes.

During this year leaders for various age groups will be selected as needed so that a majority of people will be exposed to teaching throughout our association.

Respectfully submitted,
M. Richard Spera
Associational Sunday School Director

REPORT OF THE ASSOCIATIONAL MISSIONS COMMITTEE

The Associational Missions Committee of the Atlantic Baptist Association is directly responsible to the Association through the quarterly meetings of the

Executive Committee. It works in close association with the Director of Missions to assist the Association in accomplishing its mission.

The Committee has been active during this Associational Year in the following ways:

1. Discussions were conducted on ways to improve the relationship of the Committee with the local church and of assisting the local church, especially in Outreach. From this discussion, a letter was mailed to each pastor asking him to share with the Committee what his church was doing in the way of Outreach and the degree of success so that these ideas could be shared with the churches to help them to be more effective in Outreach. They were also asked to evaluate the impact of the World Missions Conference in 1973 and the Lay Evangelism Schools in 1974 on their church's Outreach. Four churches responded. Their Outreach methods were shared with the churches through the Associational Newsletter.
2. Concern for a Ministry to the Military claimed the Committee's attention. The idea of a "Servicemen's Center" was explored. A visit by the Committee Chairman and the Director of Missions was made to the one in the New River Association and an extensive discussion was held with its director. Further conferences were held with Baptist State Convention officials in the Missions Division as to possible aid and ideas. The Committee felt it wise not to enter this venture at the present since we had no property or funds to begin the project. The Committee went on record as supporting and encouraging the Associational Office Committee to locate suitable property for the building of a new office and eventually a "Servicemen's Center."
3. The Committee sought volunteer help from churches and/or individuals in cleaning the undergrowth of its property in Cape Carteret.
4. The possibility of another World Missions Conference was discussed with a recommendation to the Executive Committee which instructed the scheduling of one as soon as possible. It is scheduled for February 27–March 4, 1977.
5. A Simultaneous Evangelistic Crusade, with the churches of the Association participating on a voluntary basis, was discussed and recommended with the promotion and organization left the Evangelism Committee. The recommendation was accepted with the Crusade to be held in the Spring of 1976 (April 25–May 2).
6. The Budget and Finance Committee of the Association was asked to consider the addition of 15 hours a week for the Associational Secretary.
7. Reports were received from the Director of Missions.
8. The Committee was instructed to study the Beach Ministry and the Seamen's Center and report what was being done. The Committee Chairman initiated limited contact, received some reports, and presented the information he had obtained to the Committee.
9. The Committee presented a recommendation in the September Executive Committee meeting that the Missions Committee appoint a Resort Ministries Committee to work with the Director of Missions in developing a Resort Ministry for the future years. This recommendation was adopted.

Respectfully submitted,
Elwin L. Melton, Chairman

ASSOCIATIONAL CHURCH TRAINING REPORT

"M" Night was held at the First Baptist Church, Havelock, on November 25. There were 410 present which filled the building to its capacity. The Adult Choir from the Temple Church rendered special music. A skit entitled "SKUNK" was presented by the Temple Baptist Church and Mr. Lloyd Lane, Jr. led the singing. Mr. Lane also sang a solo.

A filmstrip was presented entitled "Church The Sunday Night Place . . . For Training Family Style."

Rev. Clyde Baucom from the Swansboro Church brought an inspiring message.

The Temple Church won both banners as follows:

Greatest number present—146

Greatest Percentage present—159%

The Peletier Church had a close second with 157% present. There were 16 churches represented with 14 pastors present.

A Workshop for Church Training leaders and workers was held on January 30 and 31. This Workshop was led by state workers, was well attended, and considered to be very helpful.

Respectfully submitted,
James French, Director

ASSOCIATIONAL BROTHERHOOD REPORT

Brotherhood work in this Association this past year has been very slow. Yet, progress cannot always be counted in numbers. We have 10 churches with a Brotherhood Program for a total of 163 men involved. This is a small number but I feel that some good solid ground work has been laid that will be very beneficial to us in the coming year.

The Newport Church was host to a Brotherhood and RA Workshop for Leaders with approximately 25 workers from our churches attending. Nine churches were represented. This is excellent and we commend the churches for being aware of the need for training.

A one-night workshop was held for he churches "Down East" and those that attended this were very pleased with the information and help they received.

I attended, along with the Director of Missions, a workshop for Associational Leaders in Greenville.

Many of the churches observed Baptist Men's Day in January. We urge all the churches to recognize their men in some way on this day and encourage the men to participate actively in the services for that day. This coming year Baptist Men's Day will be on January 25. Helps in planning for this day can be found in the Brotherhood Builder. On the night before we joined with the women in a rally at the First Baptist Church, New Bern. This was a very inspiring and challenging meeting.

I am available to help you in any way possible. Please call on me if there is anything I can do to help you organize, set up training sessions, etc.

Respectfully submitted,
Aaron Craig, Director

ASSOCIATIONAL ROYAL AMBASSADOR REPORT

The main purpose of Royal Ambassadors is to help boys learn about missions and to become involved in missions. We now have 14 of our churches participating in the RA Program with a total of 271 boys enrolled. Many of the boys have participated in mission action activities as well as mission studies. Several of the chapters were able to attend RA Camp at Camp Caraway, Asheboro.

The highlight of this past year for many was the Associational RA Campout held at Texasgulf Recreation Area in June. the boys arrived at Camp on Friday and did not head for home until Sunday afternoon. During the campout the boys saw films, took part in sporting events, had chapter skits, spent time in Bible study and prayer. On Sunday morning each chapter had their own Sunday School followed with a worship service for the entire group.

There were 117 boys registered with 38 leaders. Seven churches participated in the Campout. We commend the counselors and leaders who so willingly gave of their time so that our boys might know the joy of a camping experience.

Many of our churches have observed Royal Ambassador Week and held recognition services for the boys. This is great and we hope that more of the churches will do this. RA Week this year will be November 2-8. Too, recognize your RA Leaders. They are a very vital part of your program with the boys. They are the ones that give their time each week so that your boys can be an active part of Royal Ambassadors. These leaders are special people. Let them know you think they are special.

It has been a joy for me to be able to work with you this past year and I look forward to still another. I appreciate your concern and support during this past year. Please call on me if I can serve you in any way.

Robert Brinson, Director

EXECUTIVE COMMITTEE REPORT

The Executive Committee met four times during the past associational year. The date and actions taken are as follows:

DECEMBER 30, 1974

Mr. Larry Pate gave a report on the Committee for the associational office. He stated that the Committee had investigated several possibilities but that a Committee needed to be appointed to study how to finance this program. A motion was made and carried that the Moderator appoint a Committee of two or three to decide if we can and how we will finance such a purchase. The Moderator appointed Rev. James Scales, Chairman, Dr. Donald Hadley, and Dr. Charles Davis to this Finance Committee for the associational office. Reports were heard from various committees and organizations.

MARCH 31, 1975

Rev. James Scales, Chairman of Finance Committee to study needs for an associational office reported that they had met with Dr. Ford and Dr. Ernest Upchurch of the Baptist State Convention and there was not any help available from the Convention at this time financially. The study of needs for an associational office and the means of funding the buying of a building or construction of one was referred to this Committee. The Missions Committee recommended that the Association proceed with plans for another World Missions Conference. This was carried. Thirteen churches have made commitments for the Sunday School Enlargement Campaign. Reports were given by Department Directors and Committee Chairmen.

JUNE 30, 1975

The World Missions Conference has been scheduled and confirmed. The dates will be February 27—March 4, 1977. The Missions Committee made a recommendation that the Evangelism Committee proceed with plans for a Simultaneous Revival in the Spring of 1976. Motion carried. Upon recommendation of the Missions Committee, the Executive Committee voted to have the position of Associational Secretary a full-time position and that Mrs. Wright be paid on a full-time basis rectroactive to June 1, 1975. This would be an additional 15 hours per week in work and salary. Mrs. Wright was already doing the work but was not receiving any pay for it. The Budget for 1975-76 was distributed and discussed. The Missions Committee was instructed to look into the work of the Seamen's Center and the Beach Ministry and make a full report to the Annual Meeting. Reports from Committees and Organizations were heard and approved.

SEPTEMBER 30, 1975

Mr. George Griffin, Treasurer, recommended that the Executive Committee take proper action on the following items:

1. Health insurance for the Missionary has increased from $149.15 to $192.80 per quarter, effective September 1, 1975. He had made this increased payment and requested that a motion be made and recorded in the official minutes authorizing this increase. Motion made and carried.
2. He further requested that a motion be made to request the Budget and Finance Committee to raise the recommended budget amount for next year to $771.20 vice $596.60 discussed at the last Executive Committee meeting. This will bring the total budget figure to $29,073.16 for next year, pending further revisions for Mission Advance. Motion made and carried.

The Missions Committee recommended that a Resort Ministries Committee be appointed by the Missions Committee to work with the Director of Missions to develop a Resort Ministry in this Association. This recommendation carried and the Missions Committee was instructed to give a full report to the Annual Meeting. Dr.

Donald Hadley gave a report of the work being done by the Committee for the associational office, in the absence of the Chairman, Rev. James Scales. A piece of property has been found and the realtor is willing to let the Association have the property at a reduced price. It is located on the road going to West Havelock Elementary School. The land is being sold in lots of 100 foot frontage and 300-400 feet deep. Total price is $12,500. Our price would be $10,000. A recommendation will be made at the Annual Meeting to purchase this land. This Committee was asked to check on another piece of property in Havelock and owned by the Board of Education.

REPORT OF THE DIRECTOR OF MISSIONS

Associational Missions in the Atlantic Association continues to be a source of blessings to the churches and to the area involved as well as a source of joy to your Director of Missions. It seems that any work for God is slow and laborious; it has been that way in associational missions. However, more and more of the churches are seeing the advantages to be derived from associational missions.

Every church but two in the Association is a contributor to the associational general treasury. More churches are going into all the world through their Cooperative Program gifts and the homeland by their increasing Home Mission, State Mission, and Associational Mission offerings. More churches are beginning to serve in outreach in their own locality.

What is missions? Missions are the opportunities that churches or individuals have at any point when the church or individual can meet human need. This might be evangelism or personal witnessing. It might be in social ministries. It might be in a thousand different ways wherever needs are found.

It can be literacy, lonliness, sharing companionship, work with handicapped, juveniles, prisoners, sick—or in many ways. Whatever the mission of Jesus was is the mission of the church today. He gave us this in Luke 4:19. (1) To have the presence of the Spirit of the Lord, (2) To be anointed by Him, (3) To announce good news to the poor, (4) The release of the prisoners, (5) The recovery of sight to the blind, (6) To free broken victims of Sin, (7) To proclaim the year of the Lord. Any church that does these things is fulfilling its mission in the world; any church that is failing in even one of these is not the true extension of Christ in this world. He declared His church to be the "Light of the World," and "The Salt of the Earth." To do and be less than this is to fail in the role and function of a church.

In the past year it has been our purpose, and we have worked to the end, that every church should and could be what Jesus would have His body to be here in this earth. We have made every possible effort to inform the churches, provide leadership training, assist them in any and every way where we were permitted to do so and provide, as far as possible, all resource materials and practical helps to those who wanted it and would accept it. Several outstanding events have taken place in the Association during the past year.

We look forward to a wonderful year ahead. Simultaneous Revivals are scheduled for April 25—May 2, 1976. These should provide a wonderful opportunity for all of our churches to share in the one single greatest evangelistic effort ever provided in this area. Thirteen churches have committed themselves in this effort.

Churches, laymen and pastors alike, have begun to notice the need for a more spacious and attractive associational office or associational center. A movement is already under way towards this end, having come from the churches.

I express my deep appreciation to everyone who has made this year an outstanding one. To every pastor, church, and associational officer, I express my deepest appreciation and thanks for work earnestly and well done; especially, to the Missions Committee and its Chairman, Rev. Elwin Melton, to the Moderator, Rev. George Johnson, to my loyal and faithful assistant, Mrs. Fletcher Wright, and hundreds of others for encouragement, prayers, and suggestions.

Sincerely,
H. A. Privette

WOMAN'S MISSIONARY UNION REPORT

Centuries ago Christ commanded his followers to "go into all the world" and share their faith with all people. The Great Commission tells us that Christians carry deep and significant obligations which demand involvement—of the whole of life. The true value of a Christian is reflected in his witness and ministry to persons in the name of his Lord. The WMU work among Southern Baptists seeks to help churches perform their tasks of teaching missions to women and girls, engaging them in mission action and leading them to support world missions through prayer and giving.

To carry out the command of Christ, we believe that we must have missionary organizations in every church. We have encouraged all of our churches to organize missionary organizations for every age level. This past year we had the following number of organizations: Mission Friends—17; Girls In Action—24; Acteens—19; Baptist Young Women—11; and Baptist Women—30. We had 1,619 women and girls involved in missionary organizations in our churches.

A full slate of officers from the Association attended a workshop at Mundo Vista and returned to lead a conference for all age-levels at the Newport Church in September 1975.

Two prayer retreats were held under the direction of Mrs. Dorothy Loftin; one was at the Temple Church, New Bern, and the other one was held at the Swansboro Church. Attendance was very good.

The Acteens conducted quarterly meetings with each one being held in a different church. Several of our churches sent their Acteens to the State Acteens Convention held in the spring.

The Baptist Young Women started the year off by 12 of our young women attending a State BYW Convention in Wilmington. Two new BYW Groups were organized.

Mission Friends saw a new organization formed this year at the Fort Barnwell Church.

Girls in Action is one of our most active organizations. Several of the churches had banquets and recognition services and the biggest event of the year was GA Day held in April. There were 94 girls and 30 leaders in attendance for a total of 124. The GA Director was asked to come to several of our churches and lead a conference for their leaders.

World Day of Prayer was observed in November at the National Avenue Church, New Bern.

As your Director I have attended many planning meetings and the WMU Council met regularly to make plans for the year. It has been a challenging and inspiring year and we look forward to another.

Respectfully submitted,
Mrs. W. D. Lee, Sr.
Director

REPORT OF THE RESOLUTIONS COMMITTEE

Whereas we have met for the ninety-second annual meeting of the Atlantic Baptist Association, and have reflected on the work accomplished through our churches over the months of the past year, be resolved:

4. That we express to each pastor of the Association, church staff members and our lay people, appreciation for their stewardship in God's work.
5. That we commend the Program Committee for the inspiration and challenge afforded us by the speakers of the session.
6. That we recognize the effort made by Mr. Corbin Cooper to be with us and to share this challenge with us.
7. That we express a meaningful thank you to our host churches, Cherry Point Baptist at Havelock and the First Baptist Church in Beaufort for providing a place for meetings and for the refreshments at the Cherry Point Church and the meal of the First Baptist Church.
8. Furthermore, be it resolved that we depart from this meeting with a greater zeal and more dedication toward being God's people and doing His Kingdom work.

Respectfully submitted,
Miss Edith Lewis
Chairman

A RESOLUTION OF APPRECIATION FOR THE LAY MEN AND WOMEN OF THE ATLANTIC BAPTIST ASSOCIATION

WHEREAS: Baptist believe strongly in the Doctrine of the Priesthood of every Believer as an expression of God's Grace to and faith in His people.

WHEREAS: The churches which make up this Association are composed predominately of lay men and women, and many of them serve well in various capacities in our Association.

WHEREAS: Most of these lay men and women are already in the churches when their pastors are called and will still be in them when their pastors leave to assume another work.

WHEREAS: It is the prayers and good will of these lay men and women which sustain their pastors in their calling and the churches in their Christian Ministry and Witness that enables an effective witness to be borne for Christ, a ministry to be performed in His Name, and the spread of the Gospel to all nations.

THEREFORE, BE IT RESOLVED that the Atlantic Baptist Association meeting at the First Baptist Church of Beaufort, North Carolina in its ninety-second session, the 31st day of October, the year 1975 of our Lord:

(1) That we go on record in expressing deep, heart felt appreciation for these dedicated men and women by having the lay messengers to stand in behalf of those whom they represent.

(2) That a copy of this resolution be printed in the Atlantic Baptist Association's Newsletter and that it be read in every church.

Respectfully submitted,
Elwin L. Melton, Pastor
Cherry Point Baptist Church

REPORT OF THE HISTORIAN

As we celebrate the American Bicentennial I, as Historian, would like to propose and recommend the following:

1. That each church in the Atlantic Association not having a written history, appoint a committee to carry out this endeavor and, that churches that have histories but are not up-to-date, have them updated.
2. That a history of the Association be completed and made available for distribution to the churches and its members.
3. A copy of church histories be forwarded to the Associational Historian for the files of the Association. Some churches have done this.
4. That the Association observe in some way the American Bicentennial to commemorate the endeavors of our early leaders in Baptist history, and the history of our country.

I propose that the above be undertaken in order that future historians and scholars will have the basic documentation needed to tell the story of North Carolina Baptists and the part the Atlantic Baptist Association and its churches had in our nation's founding. I will do anything I can to make these proposals a reality.

Below are listed some historical events in the life of our churches this past year:

ATLANTIC—Bus ministry started with the purchase of school bus. Weekly youth and children recreational program begun. Painted and renovated outside of church buildings; installed new cement walks and guides for parking in front of the church. Purchased adjoining property to church. Senior Citizens Club started.

AURORA—Sold old church building; built new one. Changed name of church from Aurora Baptist Church to FIRST BAPTIST CHURCH OF AURORA.

HISTORY OF THE CHERRY POINT BAPTIST CHURCH

Havelock, N. C.

On July 16, 1951 twenty-eight members gathered at the home of Mr. and Mrs. Ray Lackery for the purpose of organizing a Sunday School. Mr. Frank Chance acted as Moderator. A full corp of officers were elected. It was decided to speak of the Sunday School as "The Cherry Point Missionary Baptist Sunday School," at Havelock, North Carolina. Sunday School began in the Community Building each Sunday at 9:45 A.M. Mr. Robert Pugh of New Bern was the first speaker.

At a business meeting of October 17, 1951, Mr. Ray Lackery presented a list of sixty-five names ready to organize a new church. This list was to be given to Dr. Bunn to be submitted to the Atlantic Association for recognition. Twenty-two of these were charter members.

At the meeting on November 11, 1951 the men's class was asked to act as a committee to find a suitable lot for a church building.

On December 2, 1951 the decision was made to become a Mission under the leadership of some Missionary Baptist Church. On the same afternoon at a special meeting, the Sunday School voted for the First Baptist Church of New Bern to sponsor it as a Mission if that church saw fit to do so. On January 6, 1952 about thirty members of the Missionary Baptist Congregation of Havelock, joined the First Baptist Church of New Bern, with the purpose of acting as a mission group under the New Bern Church. They were officially voted into that congregation the following Thursday night, January 10, 1952.

Services were conducted by visiting ministers and laymen until April 19, 1952 when Dr. and Mrs. Charles A. Leonard came as pastor. We were still a Mission with 45 on roll. Rev. J. R. Owens relieved Dr. Leonard every third Sunday.

The Mission decided on September 10, 1952, to start raising funds for the errection of a church building. It was decided that $1,000.00 would be needed between this date and January 1, 1953. Half this amount was contributed on Wednesday night by six families.

The actual organization took place on Sunday afternoon September 21, 1952 at 4:00 in the Auditorium of the Cherry Point School Building. There seventy charter members formed a line of happy Christians across the front of that large school auditorium and received the Right Hand of Fellowship. Thus the New Church was born.

December 10, 1952 a Building Committee was elected. The Committee began contacting an architect for plans for the building. Deeds for the church lots were soon in the hands of the Trustees. By the beginning of February 1953 the Building Fund totaled $2,286.68.

Since Dr. Leonard had come to the church for only a year and his time was running out, March 25, 1953 the Pulpit Committee recommended Dr. Wistar Hamilton as Pastor. April 15, 1953 Dr. Hamilton accepted the call. Dr. and Mrs. Hamilton moved to Havelock May 15, 1953.

May 3, 1953 was the grand occasion of the Ground-breaking service for the first unit of the Cherry Point Baptist Church building. Dr. and Mrs. Leonard led in the turning of the ground. The weather was ideal and more than 200 were present. September 9, 1953 complete plans were back from the architect and bids were open for contracts. By November 1953 the building was badly needed since the Sunday School enrollment had reached 305. We are endebted to the State Convention for $3,000.00 for the purchase of lots and to the State WMU for $5,000.00 to be used for the building. June 9, 1954 the Building Committee reported the building was completed and ready to be used.

Some of the high moments in the life of the new church were: Easter Sunday, April 10, 1955 with a record attendance of 288 in Sunday School; July 1955 when the church enrollment reached 200 for the first time; action to build a Sancturary in 1960 (August); approval to begin work with the Japanese in April 1961.

In 1963 Dr. Hamilton retired. By mid 1963 Rev. Ellis Lanier came as pastor. Plans for building a parsonage were initiated in April of 1963 on Woodland Drive. In 1969 plans were made for another addition to the church building—the third unit and the renovation of the original unit for an educational building. In July 1971, Rev. Lanier became pastor of Ludford Memorial Church, Plymouth, N. C.

In February 1972, the church called Rev. Elwin L. Melton as pastor for an indefinite period of time. In February, Rev. Melton and his family moved to Havelock.

The church was very happy in December of 1973 when its dream for an organ was realized. After tolerating a drainage problem for many years, the congregation has enjoyed the benefits of a major drainage and parking project since mid 1975.

The thing that the Cherry Point Baptist Church is most pleased with is the hundreds and thousands of lives that it has touched and influenced significantly for its Lord during these twenty-four years since that little group started meeting as a Sunday School. The church has licensed and ordained several men to the Gospel Ministry. Perhaps most significantly, lives were touched and influenced for Christ here who have gone as unofficial missionaries spreading the Gospel of our Lord almost literally all over the world. We are basically a small church, but we have the strange sensation that our's has been a "big ministry" in the name of our Lord. Just how big is a secret really known only to God. We are committed to be a Southern Baptist Missionary Church under the Lordship of Jesus Christ of which we are extremely proud.

HISTORY OF THE FIRST BAPTIST CHURCH
BEAUFORT, NORTH CAROLINA

In an old church minute book under the date of April 27, 1851, one finds the following words describing for posterity the beginnings of the First Baptist Church of Beaufort:

> "A meeting was held in the town of Beaufort for the purpose of constituting a Baptist Church. Rev. William P. Biddle delivered a sermon appropriate to the occasion at 2:00, after which the Church Covenant was read and agreed to. Brother N. Askew made prayer and Brother J. Utley delivered the charge and the right hand of fellowship was given by the Presbytery and pronounced a church."

In a meeting on the third Sunday in September of 1851, a pastor was chosen from among the members. He was directed to serve as a messenger to the Union Association, petitioning the body to receive this church into the Union Association, petitioning that body to receive the church into connection with them. The letter was presented, read and received.

In the beginning years, services were held in the courthouse, the Odd Fellows Lodge, and the homes of some of the church members. In 1853 Elder J. B. Montague was elected pastor, and a building program began with plans to erect a House of Worship 30 by 42 feet and having side galleries. The cost was to be from $100.00 to $1500.00, and apparently funds were raised throughout the Association as well as locally to help with the cost of construction. By this time the membership had grown from the original seven members to twenty-five. On the third Tuesday in November, 1853, the building, though in an unfinished condition, was used for Divine Worship, and Elder J. J. Lansdale preached the first sermon in it.

In 1857 a Sunday School was organized with Brother John Nichols elected to be the Superintendent. At that time the church reported 15 Baptisms for the year and a membership of 40. Brother Nichols later moved to Raleigh where he served as postmaster, Grand Master of the Grand Lodge of North Carolina, and where he was, after the Civil War, elected to Congress.

In 1883 the first organ was placed in the church, and interestingly enough, several years later, one of the Brethern requested that the church drop him from the membership as he objected to church improvements and organs and choirs, and as he felt that the Spirit of the Lord was not in the church as it had once been.

In 1887, a movement was started to enlarge and beautify the original church building, and this construction was completed during the pastorate of Rev. Duncan McLeod who was here from 1890 to 1892. Construction of Sunday School rooms was undertaken in 1914. Further expansion was not undertaken until 1943 at which time the church obtained 70 feet of frontage along Ann Street. This, with the later addition of 15 more feet made possible the construction of the new auditorium and educational building, the final phase of which was not completed until 1960.

The purchase of an existing house on North Avenue in 1956 provided a much needed parsonage, and a beautiful new parsonage on the old site on Ann Street was built in 1970. In 1971 the church obtained Town Lot No. 53 which has since been paved and fenced and is used as a parking and recreational lot. In 1972 the church

bought the historic Delight Thomas property which extended our property line to Turner Street, and in the current year we have obtained the Bus Garage property which abuts our parking lot.

Our membership has grown from the original seven members in 1851 to almost seven hundred. We have had forty-seven pastors in our hundred and twenty-four year history, one of whom was a converted Jew. Insofar as can be ascertained, our church has given four men to the Ministry: Dr. Elijah Forbes Rice, Rev. John Dixon Davis, Rev. Robah Lee King, and Rev. Dowd Davis. The two Davis men were brothers and sons of the late esteemed M. Leslie Davis who served the Association as Moderator for thirty-seven years.

Mr. U. E. Swann, who at 95 next month is the oldest member of our congregation, served the Association as Clerk for nine years. Mr. B. J. May, a former Deacon of our church, served the Association as Treasurer for nine years. Through the years the Association has met in the Beaufort Church ten times: 1875, 1891, 1901, 1921, 1931, 1941, 1951, 1961, 1970, and this year 1975.

Dr. Charles Davis, our pastor, will be the twelfth minister of the Beaufort Church to preach the introductory sermon at an associational meeting . . . . . beginning with A. D. Cohen in 1872. Under the leadership of Dr. Davis our church has undertaken within the last year two ministries: The Ministry to the Deaf, led by the pastor's wife, Mrs.Nell Davis, and the Television Ministry. We are informed that in addition to the wonderful work that Dr. Davis is doing in our own church, that through him, approximately 30,000 people are hearing the Gospel of Christ preached every Sunday morning over Channel 12. Many are notifying us of their acceptance of Christ and the change that is being wrought in their lives as a result of this new spiritual undertaking of our church.

May we continue to Praise His Holy Name.
